Concord's New Fire Chief

Tom Judge has officially been named the Town of Concord's newest Fire Chief. Join us in thanking him for his years of service and give congratulations on his new position. Tom Judge had been serving as Concord's Interim Fire Chief after Chief Mark Cotreau left earlier this year.

When asked about his role, Tom said "I've been with the department for 32 years and have worked my way up through the ranks. After working as a Firefighter for a number of years, I worked in West Concord as a Lieutenant for 15 years, and then at Headquarters since 2011 as a Captain, Assistant Chief, and now Fire Chief. I am very excited, and humbled by the opportunity given to me to continue to work with the Concord Fire Department as the Fire Chief. The CFD is made up of a group of truly professional Firefighters, Officers, and staff that are a pleasure to work with, and I am really looking forward to continuing to work with them."
