THE ROAD TO REVOLUTIONS

September 21, 2019

Dear Interested Party:

The Battle Road Scenic Byway Committee would like to invite you to find out what we have been up to during the last five years. We have had some historic signs designed and we have also designed a website to highlight the activities all along the Battle Road Scenic Byway. We would like you to review what we have done, make comments and suggestions for use in your town, and get your ideas for the future of the Committee. We have really appreciated your support.

**We will be meeting at the Blue Theater at Minute Man National Historical Park's Visitor's Center from 6-8 pm on October 15, 2018. There is parking at the Visitor's Center parking lot on Route 2A.**

Members of the Committee will present the work briefly and then solicit input from you. Please come.

Thank you,

Clarissa Rowe, Chair for The Battle Road Scenic Byway Committee
