## BRUCE FREEMAN RAIL TRAIL PHASE 2C - POWDER MILL ROAD CLOSED JULY 10 - AUGUST 31, 2017

**CONCORD, MA** — Contractor D.W. White Construction has confirmed that the existing Powder Mill Road culvert will be removed this summer, and replaced with a new culvert that is better (higher and wider) for bicyclists using the trail. Work in the area of the Powder Mill Road culvert will begin on July 3<sup>rd</sup> with the road closing to through-traffic on July 10<sup>th</sup>. Work is expected to be completed in late August, with the road re-opening before the start of the Concord Public School's new school year. The Contractor has submitted a detour plan to MassDOT engineers and signs are being installed in advance of the road closure.

MassDOT District 4 Engineers will be providing construction oversight of this project and is coordinating with Town agencies as needed.
