Concord Museum

AGENDA

Review Minutes - January 24th meeting

Revisit Select Board Charge to the CWMTF and the request for a 60-day extension of our mission. If approved, the Task Force would disband, following its final report, on or about April 16th.

Discussions will resume regarding proposals from vendors, previously identified, to do the following:

1. Carefully remove the existing 48"x66"x 1.5 " tablet from the monument
2. Conduct minimal repairs and clean the monument
3. Design and install the new tablet, adding **George W. Dugan 54th Mass Vols**, honoring Concord's 49th fallen Civil War soldier

Rosa will collaborate with Jon Harris, Town purchasing agent, in formalizing RFPs sent to potential vendors
