## Nuclear Metals, Inc. Site Town Reuse Committee Meeting & Site Tour

June 20, 2019

NMI Site trailer

2229 Main Street, Concord MA

**Purpose:** Hold a town planning committee working session to launch planning process. Tour the former NMI facility; identify specific redevelopment opportunities and barriers; and discuss future community engagement options.

Thursday, June 20, 2019

**6:00 – 6:30 pm**     **Site Tour** (led by EPA and DeMaximis)  
• Participate in walking tour of accessible areas of the NMI site.

---

**6:30pm – 8:00 pm**     **NMI Site Stakeholder Redevelopment Discussion**

- Introductions and overview of Skeo's role
- Overview of current site status
- Explanation of EPA Superfund Redevelopment Initiative assistance and process
- Presentation by Skeo about potential suitability for the NMI site, with discussion to follow
- Discuss next steps for future community engagement activities
