Town Clerk's Report on Polling Location Change

In accordance with Section 11 of Chapter 115 of the Acts of 2020, the Town Clerk of the Town of Concord respectfully requests that the location of the Town's polling place for Precinct 1 be relocated from 141 Keyes Rd to 22 Monument Square, Town House.

The proposed new location in the Hearing Room of the Town House has been evaluated to ensure that not only is it fully accessible, but during this pandemic, it can be safe for all, voters and election workers, on Election Day. The Town House Hearing Room has been successfully used for early voting during the pandemic and we can guarantee that these social distancing measures will be in place on Election Day.

I would further like to acknowledge that the decision to change the Town's polling location will not have a disparate adverse impact on access to the polls on the basis of race, national origin, disability, income, or age. On October 1, 2020, Wendy McNally, member of the Board of Registrars and the Town Clerk evaluated the polling location and completed the attached Polling Place and Registration Site Access survey as required by the Secretary of the Commonwealth's Elections Division and found the Town House at 22 Monument Square to be in compliance for use as a polling location.

Respectfully Submitted,

Kaari Mai Tari
Town Clerk
