Site Visit to Junction Park

12 Noon on Tuesday, November 16, 2021

The BFRT Advisory Committee will conduct a site visit to view the location of property lines and physical features of the Bruce Freeman Rail Trail and Junction Park in advance of conversations beginning in December to address safety concerns.

All are welcome to join the BFRT Advisory Committee. We'll meet in the park next to the Depot.

The site visit will be videotaped by Minuteman Media Network and posted to the BFRT Advisory Committee web page at <https://concordma.gov/980/Bruce-Freeman-Rail-Trail-Committee> for those unable to attend the event in person.
