TOWN OF CONCORD, MASSACHUSETTS

NOTICE OF SITE VISIT

On Thursday, September 24, 2020 at 10:00 a.m., the NMI Starmet Reuse Planning Committee will conduct a site visit to review the current site conditions and provide committee members with an opportunity to orient elements of discussion to the 2229 Main St. (former Nuclear Metals) site.

Attendees must wear a facial mask at all times during the site visit and follow COVID-19 safe social distancing guidelines.
