Meeting Minutes

Minutes: Michael Mastrullo

Location: Zoom

- Lisa Koski, the school nurse, is providing an update for the School Advisory Council.
- Lisa is reviewing the testing options made available for staff members.
- Outlining the PRO-EMS options for testing; a company we are working without of Cambridge.
- Lisa is outlining the testing options available at our school. Also, outlined the process when someone is getting tested. Staff with symptoms arrive at the side of the building, self swab, and enter the sample into a secure lock box that is picked up at the end of the day. The turnaround time is roughly 24-48 hours.
- Pool testing will commence soon. This will begin with all staff district-wide.
- Committee members are asking questions relative to the size of the testing pool and the process and turn around time-related to test results.
- Providing an update on vaccinations and distribution.

- Discussed and encouraged committee members to review the School Improvement Plan. It was reviewed in draft form in a previous meeting, and the final approved version is ready for review.
- We discussed issues relative to the senior class. Specifically, we discussed senior activities, what they typically look like and what are best and worst-case scenarios for senior events this year due to COVID.
- The committee discussed the fall and potential options for the opening of the school.
- Spring sports season and plans for fall sports were briefly discussed.
- Meeting Adjourned
