DESIGN GUIDELINES

Ann reviewed the newly created design guidelines created by her and Susan. They can be found at: https://docs.google.com/document/d/1Z89OMqBYQWi6jBvQD9luloGjVhenjeyeG3PwSJo1JAs/edit

She thanked Susan for putting together the vision statement. The emphasis is on walkability and gathering spaces.

Important to show the state that we have taken steps to identify the district and deserve to continue as a cultural district. Marcia will be preparing that application for review and will present it at the next meeting. Susan and Marcia will consult the planning board and other committees regarding how to make these recommendations official.

Everyone agreed to review the accompanying photos on their own time.
The committee thanked Susan and Ann.

Susan needs examples of events we have organized in the last three years. Carlene will send these to Susan.

FESTIVAL GRANT

The group discussed whether to submit a grant proposal for a $500 grant that could be applied to Porchfest. Given that we have yet to schedule another Porchfest due to pandemic uncertainty it was agreed we should defer this decision until after the next meeting. Establishing a timeline for “go/no go” for Porchfest, and reviewing the overall logistics of the event planning will be an item on next month’s agenda.

Marcia believes that money needs to be allocated or spent by the end of June. Given the uncertainty at this time, we will need to ascertain if this application makes sense once we have created the timeline.

RECOVERY GRANT

We received a $7500 grant from the Massachusetts Cultural Council. Jen reviewed the project summary and budget.

The next step is to choose a designer. The two proposals were shared on screen and will also be emailed. The third designer we solicited did not respond to the proposal.

We reviewed the Arlington map and brochure that are our inspiration pieces.

Ed suggested we create a more detailed creative brief and offered to spearhead that. He suggested a website or QR code in the final piece will be helpful.

Jen will create a google group to facilitate communications. She will send out the two proposals. Per OML we will meeting in one week to vote on which designer to hire. That meeting will be on Tuesday March 9, 2021 at 5 pm for 15 minutes for just that one agenda item.

The next full meeting will be on Tuesday April 6 at 7 pm.

The meeting was adjourned at approximately 6:20 pm.
