

**Board of Registrars Meeting**  
**Tuesday, March 28, 2023 | 8:30 PM**  
22 Monument Square, Town Clerk's Office

**MINUTES**

Members present: Connie Benn, Chair, Anne Fortier, Bart Littlefield, Kaari Mai Tari, Town Clerk. Also present: Stephan Bader

- Approval of Minutes: No action taken during the meeting.
- The Registrars read the results tally tapes and tally sheets for hand counted ballots for precincts 1-5.
- Discussion of issues occurring at the polls
  - There was a situation at one of the polls earlier in the day where a voter mentioned to a candidate that based on ballots being inserted, they were ahead at that precinct.
    - Kaari contacted the Election Worker to confirm what they had said. She then contacted the Elections Division to let them know what had happened. The Director of Elections was satisfied that dismissing that person from working at the polls in the future was the proper action to take in this circumstance. Kaari will emphasize in future training that Ballot Box Attendants must not look at ballots being inserted into the ballot box by voters.
    - Kaari will review this with Election Wardens and Clerks at a post-election meeting.
    - TCO Staff are working on ways to make Election Worker training more interactive and engaging. Ideas discussed included a jeopardy-style. Registrars might want to attend the training so that they can better know their role.

The meeting adjourned at 8:56 pm.
