ABSENT: None

OTHERS PRESENT: Karen Ahearn

Call Meeting to Order

Tish Hopkins called the meeting to order at 5:00 pm in the Break Room at 133 Keyes Road.

Assembling the Swag Bags

The purpose of the meeting was a working session to assemble the swag bags. All the items have arrived, with the exception of the cookies. Those will be added prior to April 19. Laura generously donated small mesh bags with Hershey kisses, which were added to the bags. The group assembled 150 bags, and they were put into containers to be stored for April 19.

During the meeting, we took a 5-minute break to listen to Rob's interview on NPR about the visiting Concord USA dignitaries coming to Concord for the parade. Kudos to Rob for initiating this wonderful "happening." Several will be marching in the parade with a Concord USA banner, wearing sashes from their individual cities/towns.

Next Meeting: TBD—the week prior to April 19, for assembling the swag bags

Adjournment

The meeting adjourned at 6:00 pm.

Respectfully submitted,

Anita Tekle, Clerk of the Subcommittee
