Code Red

The Town of Concord's emergency alert notification system

CodeRED

The Concord Police Department has partnered with Emergency Communications Network to license its CodeRED high-speed notification solution to create a Concord Police Department Emergency Notification System. The CodeRED System provides Concord Police Department with the ability to quickly deliver personalized messages via voice, email, phone text and TDD/TTY capabilities to targeted areas or the entire Town of Concord in minutes.

Phone Numbers Necessary

Such systems are only as good as the telephone number database supporting them. If your phone number is not in the database, you will not be called. One of the reasons the CodeRED system was selected is that it gives individuals and businesses the ability to add their own phone numbers directly into the system's data base, which is an extremely important feature.

No one should automatically assume his or her phone number is included, all residents and businesses should log onto the CodeRed and complete the registration form that can be filled out. Anyone without internet access may call the Concord Police Department at 978-318-3400 to supply their information over the phone. Required information includes first and last name, street address (physical address, no P.O. boxes), Town, state, zip code, and primary phone number. Additional phone numbers can be entered as well.

To enroll visit the Town of Concord webpage at concordma.gov and click on "How do I...", under "Sign up for" is the option for **CodeRED** emergency notification signup

Yard Waste Recycling

Concord Public Works manages a drop-off program for yard waste recycling that is open to all Concord residents. Compost and wood chips made from collected yard waste are available as well, free of charge to all Concord residents.

The Massachusetts Department of Environmental Protection (DEP) has banned the disposal of yard waste at all landfills and incinerators in Massachusetts, so no resident should be disposing of yard waste, in any amount, with their regular trash. Some private haulers may provide separate curbside collection service for yard waste. Concord's municipal collection program does not collect yard waste at the curb.

Drop Off Location

Composting Site, located on Walden Street (route 126), just across Route 2, on your left before you reach Walden Pond.

Dates & Hours

--Compost Site will be open on Saturday, November 11--

Open on Saturdays, beginning with the first Saturday in April through the third Saturday in December (Dec. 16) (weather permitting)

9 a.m. - 3 p.m.

In continuation of a pilot program the compost site is also open on Wednesday afternoons from 3 - 5:30PM. through November 22, 2017.

Materials Preparation

Rakeable materials may be placed in paper leaf bags or barrels. If residents choose to use plastic bags they must empty contents from bags and take empty plastic bags home for proper disposal.

DropOff SwapOff Days

About

Concord Public Works (CPW) and ReUsIt sponsor drop-off days in May and October for a wide variety of recyclable and reusable items not collected at the curb. Non-recyclable oversized waste is also collected. Fees are charged for some items. Payment is by check only.

SwapOff Details

This opportunity is open to Concord residents only. Bring things you no longer want or need (clean and in working order please), take away things you can use. Everything you take is free. As a courtesy to others we ask that you do not plan to stay more than 1 hour. No drop-off of SwapOff items after 1 p.m. SwapOff event will be cancelled in the event of rain.

Dear Voter,

Congratulations on registering to vote in Concord, and thank you for your commitment to participation in our local, state and federal governments.

As a Concord voter, you have opportunities for direct participation in your local government that are unsurpassed anywhere. You may vote in town elections to choose the five members of the Select Board, who hire and supervise the Town Manager responsible for day-to-day operations, and the five members of the School Committee, who serve on both the Committee charged with oversight of the Concord Public Schools (K-8) and the Committee charged with oversight of the Concord-Carlisle Regional High School. The public is invited to attend Select Board and School Committee meetings, pose questions and offer comment. Concord voters also choose a Moderator, who presides over Town Meeting, and members of the Concord Housing Authority, who manage Concord's town-owned affordable housing.

Citizen committees, filled with volunteer citizens like you, play a central role in administration of our Town's government. Boards and committees make recommendations and decisions in areas including zoning, planning, preservation of historic districts, libraries, protection and management of natural resources, promotion of cultural life, rate-setting and policy for Concord Municipal Light Plant, property assessment, public works (water, sewer, waste disposal, and roads), and more. Citizens may volunteer for service on committees that match their talents and interests by filling out a "green card" at the Town House, or electronically on the Town website: www.concordma.gov. Committee meetings are open to the public, welcome public comment, and are scheduled with advance notice posted on the Town website. You can learn about all of our Town's committees by perusing the Town website, or reading the Annual Town Report available in hardcopy at the Town House, as well as on the town website.

As a voter registered in Concord, you are also eligible to serve in the town's legislature: Town Meeting. Concord is among the fewer than 5% of communities nationwide that maintain as their legislature an open Town Meeting, at which every town-registered voter may participate directly in deliberation and voting on the matters before the Meeting. The Annual Town Meeting appropriates the annual budgets of the town, K-8 schools, and regional high school, enacts and amends zoning and other bylaws, authorizes town acquisitions of property, and takes action on all other matters upon which the Town has authority to legislate. From time to time, a Special Town Meeting may be called to take up issues that cannot wait until the next Annual Town Meeting, such as time-sensitive land purchases. In addition, at any Annual or Special Town Meeting, any ten registered voters may place an article before the Meeting for deliberation and vote through a "Citizen's Petition." Every household in Concord receives a copy of the Warrant for every Annual and Special Town Meeting (the agenda of business for the Meeting) several weeks before the Meeting. In preparation for Annual Town Meeting, five public hearings are held on the articles in

the Warrant, at which citizen question and comment is welcome. One or more hearings also are held for any Special Town Meeting, depending upon the issues on the Warrant. All hearings are broadcast on Concord-Carlisle TV, our local access cable station, and available on-demand at Concord-Carlisle TV's website: www.concordtv.org.

Welcome to the ranks of Concord voters. We hope that you will be sure to cast your vote in local, state and national elections, and that you will take full advantage of the opportunities to participate directly in your local government.

Sincerely,

Kaari Mai Tari

Dog Licenses

State Law requires that all dogs in the Commonwealth over 6 months of age be licensed annually. Dogs must be licensed by March 31 each year in order to avoid penalty. Dogs not licensed by March 31 each year may be subject to a fine of up to \$50 in addition to licensing and late fees.

Rabies Certificate & Related Items

If you have a current rabies certificate on file with the Town Clerk's Office, then a dog license may now be requested and paid for online from your checking account or with a credit card (Master Card or Discover Card only). You will receive your license and tag via mail. Contact the Town Clerk's Office via email or telephone 978-318-3080, if you do not know whether your rabies information is on file. This secure service is made possible through an agreement with Unibank. A nominal fee will apply to credit card transactions, while there is no charge to pay directly from your checking account. Go to the online payment screen by heading to the concordma.gov webpage and clicking "Online Payment". Our provided documents can be mailed in or turned in to our office.

The form can be found on page 22 to be mailed in.

Transportation Options

Commuter Rail - Being so close to Boston, many people find the commuter rail is a great option for a quick day trip into the city or as an easy and sustainable option for commuting to work. Concord is on the Fitchburg line and the schedule can be found at the following link or by visiting the MBTA Commuter Rail website.

<https://www.mbta.com/schedules/CR-Fitchburg/timetable>

With stops in both Concord Center and West Concord, the commuter rail can also provide easy transportation between the two centers of Concord.

Zagster Bikeshare Program - Available April 1st of 2018, the Zagster Bike Share will allow residents and visitors alike the opportunity to grab a bike and head to their destination. Bikes can be shared between several different docking stations in Concord and Lexington, making them perfect for site seeing, a trip on the Minuteman Bike Trail, a great way to exercise without having to buy a bike, or the perfect way to get a new perspective of the area.

Council on Aging Van - Available through the Council on Aging out of the Harvey Wheeler Community Center, the van offers transportation to a variety of places for seniors who are no longer able to drive themselves. This service allows seniors to be able to stay independent by providing transportation to the COA for events, doctors appointments, errands, haircuts, grocery trips, to visit friends within Concord, etc. If you are interested in the program, please visit the COA webpage at <http://concordma.gov/916/Council-on-AgingSenior-Services>

Parking

Parking is found at many locations throughout Concord. There are several municipal parking lots in Concord Center as well as West Concord. Parking restrictions vary from lot to lot, please be sure to check posted signs. These include the Keyes Road Parking, the Walden Street lot, the Hardware Store lot, the Emerson Umbrella Annex lot, the West Concord Commuter Rail lot which has several designated spaces, and the West Concord lot. Street parking is available along some streets, please check signs for restrictions.

Many of the Museums and parks in the area have parking which is for private use by the patrons of those facilities.

Winter Parking Ban: November 1st to April 1st Concord has a winter parking ban which restricts nighttime street parking. This also applies to snow emergencies when cars must be off of the street. Please be mindful as you may be ticketed or towed. Any questions can be directed to the Police Department.
