OLD NORTH BRIDGE

TOWN OF CONCORD

TOWN HOUSE - P.O. BOX 535
CONCORD, MASSACHUSETTS 01742

February 1, 2019

Dear Concord Resident:

We encourage you to read these articles carefully and to participate in our Town Meeting process.

Over the next several months, you will have numerous opportunities to participate actively in the democratic process of Town government by electing Town officials, attending hearings and taking action at Town Meeting on the wide range of subjects described in the accompanying Warrant. This brief introduction summarizes the activities leading up to the elections and the Town Meeting.

TOWN CAUCUS: Nominations of candidates for election were made at the Town Caucus which is held on Monday, January 28, 2019. Names of Caucus nominees and qualifying candidates through the nomination paper process will be on the ballot for the Town Election which will be held on Tuesday, March 26, 2019. The deadline for candidates to return nomination papers is Tuesday, February 5, 2019 at 5 p.m. The deadline for unregistered residents to register to vote at the Town Election is Wednesday, March 6, 2019.

WARRANT: The publication of the Warrant is the first event leading up to Town Meeting. The Warrant serves as the agenda for the Meeting. It is a combination of proposals by the Town's committees and professional staff and those brought by petitions signed by at least ten registered voters. Each Article on the Warrant represents a separate agenda item and describes the subject on which the voters at Town Meeting will be asked to take action. Any motion made under an Article at Town Meeting must fit within the scope of that Article as presented in the Warrant as determined by the Moderator. The phrases “**or take any other action relative thereto**” and “**or any other sum**” in a Warrant Articles signify that the motion under the Article presented at Town Meeting may vary somewhat in proposed action and dollar amount, so long as the motion remains within the scope of the Article. The motion will omit those phrases and often will be more specific. For example, estimated amounts may be replaced by more precise figures in appropriation Articles, or the details of a zoning Article may be refined as a result of discussion during the public hearing process.

Some Articles provide for various funding methods. The phrase “**raise and appropriate**” means funding through the property tax levy. The phrase “**transfer from available funds**” means funding through monies already on hand in the Town treasury and not already reserved or committed for other purposes. Finally, the Treasurer may be authorized “**with the approval of the Select Board, to borrow**” This means the issuance of debt for which the Town commits its full faith and credit to make future repayment of the loan with interest. The motion made under a financial Article will always specify the financing method from among the possible options. The amount of money in the motion may vary up or down from the amount appearing in the Article text.

Does the majority always rule? Some Articles require super-majority votes in accordance with state law. These include most Articles authorizing the issuance of debt and zoning bylaws. You will be informed by the Moderator when a motion is made under an Article whether a 2/3rds or other super-majority vote is required for passage.

PUBLIC HEARINGS: Following publication of the Warrant, five public hearings will be held in the Town House as shown on the schedule at the end of this section. All citizens are encouraged to attend the hearings that provide an opportunity to gain a better understanding of the background and issues and serve a number of purposes:

- to provide better information on Warrant Articles to boards and committees charged with making recommendations to Town Meeting;
- to provide information to voters to help them decide how to vote on Warrant Articles;
- to identify needs for further information on Warrant Articles;
- to provide an opportunity for voters to make brief comments about the content of the proposals being made, allowing time for the Warrant Article presenters to make changes in the motions prior to Town Meeting, if needed; and
- to provide Warrant Article presenters with constructive feedback to help them improve presentations, respond to likely questions and objections, clarify ambiguities, remedy potential technical problems, and avoid unintended consequences.

After the hearings, the Finance Committee, which consists of fifteen citizens appointed by the Moderator, will prepare its report to the Town. This report summarizes the Town's financial position, reports on various issues, and includes the Finance Committee recommendations to Town Meeting on each Article with financial impact as well as the recommendations of the Select Board on all Articles.

TOWN MEETING: Will begin on Monday, April 8, 2019 at 7:00 P.M. and will convene at the Concord-Carlisle Regional High School. All registered voters are eligible and encouraged to attend and vote. Residents who are not currently registered to vote must register by Tuesday, March 19, 2019 in order to participate. Attendees must check in with the Town Clerk's staff in the cafeteria. Check-in is done alphabetically by last name.

The Moderator, who presides at the Meeting, is elected each year at the annual Town Election. The Moderator will be on the stage, as will the Town Clerk. The Finance Committee and Select Board, along with the Town Manager, Deputy Town Manager and Finance Director, will be seated at tables at the front of the gymnasium.

The Moderator will call each Article and its sponsor will make a motion. After the motion has been seconded, deliberations will start according to Town Meeting rules of order as set forth in the book, Town Meeting Time, which is available at the Town libraries. The Moderator will recognize the speakers, rule on motions and amendments with respect to conformance to parliamentary procedure, and call for votes. The recommendations of Town Committees may be made on each Article. For additional information on the conduct of the Meeting, refer to the pamphlet "Concord Town Meeting Traditions and Procedures" which is available on the Town's website www.concordma.gov, from the Town Clerk's office in the Town House, or in the cafeteria as you enter Town Meeting.

Article 3, "Meeting Procedure," has been submitted by the Finance Committee to address the special constraints placed on Town Meeting by "Proposition 2½." Additional information on the Town's status relative to Proposition 2½ will be presented in the "Report and Recommendations of the Concord Finance Committee" to be published and mailed to all residents in early April.

We will again use a consent calendar, which is intended to expedite action on Articles that are expected to be non-controversial. A full explanation will appear in the Finance Committee Report which will be mailed to residents in early April. Also consistent with our recent procedures, certain Articles that attract a high level of community interest may be scheduled for specific dates and times. (Please watch for advance notice of these dates in the local media.) Other Articles will be taken up in accordance with the order of the Warrant until the conclusion of the Warrant.

Town Meeting is an important democratic institution open to all Concord registered voters and is Concord's legislative body. The procedures are simple, and all have a right to attend and participate. On each Article you will hear a formal presentation and recommendations from citizen committees. You may speak on the issues if you wish, and then cast your vote. By this process, the decisions made are based on the collective will and wisdom of the Meeting. We encourage your active participation, particularly for those Articles that are of greatest importance to you. Town Meeting proceedings are broadcast live by MMN on Local Access Cable Channel 9 and on WIQH Radio 88.3 FM, for those who cannot attend but wish to follow along from home. Instructions will appear on the broadcast screen for how to submit questions and comments by email. Questions and comments must include the name and address of the Concord citizen submitting them. Properly authenticated and non-duplicative questions and comments may be brought to the attention of the Meeting by the Moderator, time permitting. First priority will be given to citizens in attendance.

If you would like to serve your community as a volunteer member of a Town Board or Committee, or on a short-term assignment, bring yourself to the attention of the appointing authorities by filling out a "Green Card" and submitting it to the Town Manager's Office in the Town House. See page 37 to 38 of this Warrant for further information and a tear-out copy of the "Green Card." Green Cards can also be filled out online. Follow the "Volunteer" choice from the home page www.concordma.gov/greencard.

With annual adjustments and periodic comprehensive reviews, the Classification & Compensation Plan keeps Town salaries competitive in the employment market, maintains internal equity of salary ranges, maintains comparability with salaries of unionized employees, and keeps pace with changes in the cost of living. This article does not control the amount of the actual salary increases to be received by employees in FY20. The Town Manager and Personnel Board set actual salary increase amounts after Town Meeting, based upon the approved budget.

The Town Budget Article provides for all General Fund (Tax-Supported) Town operations and activities organized by Town Charter under the direction of the Town Manager. The total appropriation presented here for consideration for Town Meeting approval meets the Finance Committee's guideline set on November 30, 2018. The text above also makes certain other appropriations from Stabilization and Enterprise Funds, as well as authorizes certain other transfers. In prior years, funds to cover the cost of services provided by the General Fund to individual Enterprise Funds were made through inter-fund transfers, however, best practices are to request specific Town Meeting authorization through appropriation of these funds. As such, the table above has been updated for FY18 and FY19 to show individual line items, including both appropriation and inter-fund transfer so that a true comparison may be made.

APPROPRIATE FUNDS – MUNICIPAL CAPITAL PROJECTS

ARTICLE 7. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, or authorize the Town Treasurer with the approval of the Select Board to borrow by the issuance of bonds or notes under the provisions of Massachusetts General Laws c. 44, § 7, the sums of money specified below in the FY20 Debt Plan, or any other sum, said funds to be expended under the direction of the Town Manager, and further that any premium received by the Town upon the sale of any bonds or notes approved by the vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Massachusetts General Laws c. 44, § 20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount; or take any other action relative thereto.

Item 5 will authorize the Treasurer to borrow \$600,000 to supplement the existing funding available for the Cambridge Turnpike Reconstruction project. Item 6 will authorize the Treasurer to borrow \$550,000 to fund the cost of original equipment and furnishings of the expansion at the Main Library.

AUTHORIZE EXPENDITURE OF REVOLVING FUNDS UNDER M.G.L. c. 44, § 53E ½

ARTICLE 8. To determine whether the Town will vote to authorize the total expenditures for the following revolving funds pursuant to Massachusetts General Laws c. 44, § 53E½ for the fiscal year ending June 30, 2020, to be expended in accordance with the bylaw previously approved; or take any other action relative thereto.

Revolving Fund	Annual Spending Limit
Regional Housing Services	\$265,000
Road Repair	\$120,000
Senior Services	\$45,000
Tree Preservation	\$100,000

This article authorizes the annual spending limits for each of the Revolving Funds identified above. Spending from these funds may only occur for the stated purposes identified in the Town's Revolving Fund Bylaw, and only with the approval of the Town Manager.

AUTHORIZATION TO ACCEPT M.G.L. c. 32B, § 20 – OTHER POST-EMPLOYMENT BENEFITS (OPEB) LIABILITY TRUST FUND

ARTICLE 9. To determine whether the Town will vote to adopt Massachusetts General Laws c. 32B, § 20, Other Post-Employment Benefits Liability Trust Fund, for the purpose of establishing on its books and accounts the Other Post-Employment Benefits Liability Trust Fund, the assets of which shall be held solely to meet the current and future liabilities of the governmental unit for group health insurance benefits for retirees and their dependents, and to establish the Town Treasurer as the sole Trustee, or take any other action relative thereto.

This article seeks Town Meeting approval to establish a new OPEB Trust Fund in accordance with Massachusetts General Laws c. 32B, § 20. In 2008, the MA Legislature adopted a Special Act authorizing an OPEB Trust Fund for the Town of Concord. In 2016, the Legislature revised the existing law relative to OPEB Trust Funds. The Department of Revenue, the Town’s Auditor, and Town Counsel have recommended that the Town adopt Massachusetts General Laws c. 32B, § 20 in order to provide a clear legal structure, make this fund irrevocable, and ensure that monies held in the trust would be used solely to pay the OPEB liability. Further, Massachusetts General Laws c. 32B, § 20 requires the appointment of a sole Trustee or Board of Trustees to oversee this fund. The recommendation is that a sole Trustee be appointed, but that the Trustee have a formalized reporting requirement to an existing board.

MINUTEMAN REGIONAL TECHNICAL HIGH SCHOOL DISTRICT BUDGET

ARTICLE 10. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, the sum of \$1,066,841, or any other sum, for the following necessary and expedient purposes of the Minuteman Regional Technical High School District for the fiscal year ending June 30, 2020, or take any other action relative thereto.

MINUTEMAN REGIONAL TECHNICAL HIGH SCHOOL DISTRICT BUDGET			
Department/Description	Fiscal 2018 Adopted	Fiscal 2019 Adopted	Superintendent’s Proposed Budget & Fiscal 2020 Assessment
Minuteman Regional High School Budget	\$19,449,466	\$21,331,204	\$22,768,830
Concord’s Assessment	\$599,313	\$752,938	\$1,066,841*

*includes \$768,846 for operations & \$297,995 for shared debt and capital

This article provides Concord’s assessed share of the annual operating budget for the Minuteman Regional Technical High School District. Concord’s assessment increase is due in part to an increased enrollment share, but also because of increased debt service due in FY20 for costs associated with the new high school building project, now nearing completion. Each of the member town assessments is calculated by a formula established pursuant to the regional agreement. Concord’s enrollment at Minuteman increased from 17 regular high school students and 1 post graduate in the fall of 2017 to 25 regular students and no post graduate enrollees in the fall of 2018. The formula for assessments relies in part upon a rolling 4-year average of enrollment for member communities, and Concord’s relevant figure increased from 15.75 to 19.0.

CONCORD PUBLIC SCHOOLS BUDGET

ARTICLE 11. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, the sum of \$39,390,163, or any other sum, for the following necessary and expedient purposes of the public schools of the Town for the fiscal year ending June 30, 2020, or take any other action relative thereto:

SCHEDULE A - PUBLIC SCHOOL BUDGET			
Department	Fiscal 2018 Adopted	Fiscal 2019 Adopted	Fiscal 2020 School Committee Vote of Dec. 11, 2018
Concord Public Schools Budget/Appropriation	\$36,810,111	38,246,895	39,390,163

This article provides the annual operating budget for the Concord Public Schools. The appropriation presented for Town Meeting approval is above the spending guideline set by the Finance Committee in November 2018 in the amount of \$145,024, but can be funded without a Proposition 2-1/2 Override. The appropriation to be presented for Town Meeting approval of \$39,390,163 is at the Concord School Committee Adopted Budget level voted on December 11, 2018.

CONCORD PUBLIC SCHOOLS CAPITAL PROJECTS

ARTICLE 12. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, or authorize the Town Treasurer with the approval of the Select Board to borrow money by the issuance of bonds or notes under the provisions of Massachusetts General Laws c. 44, §7, the sum of \$900,000, or any other sum, to be expended under the direction of the School Committee for remodeling, construction, reconstructing or making extraordinary repairs, including original equipment and related work at various Concord Public School buildings, and further that any premium received by the Town upon the sale of any bonds or notes approved by the vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Massachusetts General Laws c. 44, § 20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount, or take any other action relative thereto.

This article authorizes the Treasurer to borrow \$900,000 for construction, renovations, repairs, and related work at various Concord Public School facilities. This borrowing is part of the Town Manager's five-year Capital Plan, with the debt service cost to be funded within the Levy Limit.

AUTHORIZATION TO ACCEPT M.G.L. c. 71, § 71E – SCHOOL PROPERTY FUND

ARTICLE 13. To determine whether the Town will vote to accept Massachusetts General Laws c.71 § 71E, Use of School Property Fund, or take any other action relative thereto.

This article authorizes the Town to establish a Use of School Property Fund. Facility use fees charged to outside organizations will be credited to the fund and expended under the direction of School Committee for expenses related to making the facility available. Any unspent balance at the end of the fiscal year will carry forward to the next fiscal year.

CONCORD MIDDLE SCHOOL FEASIBILITY STUDY

ARTICLE 14. To determine if the Town will vote to raise and appropriate, or transfer from available funds, or authorize the Town Treasurer with the approval of the Select Board to borrow money by the issuance of bonds or notes under the provisions of Massachusetts General Laws c. 44, the sum of \$1,500,000, or any other sum, to be expended under the direction of the School Committee for a feasibility study to consider the construction of a new middle school, which may be located at 835 Old Marlboro Road, Concord, Massachusetts (the present site of the Sanborn Middle School), provided, however, that this approval shall be contingent upon passage of a Proposition 2½ debt exclusion referendum under Massachusetts General Laws c. 59, § 21C(k), and further that any premium received by the Town upon the sale of any bonds or notes approved by the vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Massachusetts General Laws c. 44, § 20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount, or take any other action relative thereto.

This Article authorizes the Treasurer to borrow up to \$1,500,000 for a feasibility study to consider construction of a new middle school at the existing Sanborn site.

CONCORD-CARLISLE REGIONAL HIGH SCHOOL BUDGET

ARTICLE 15. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, a sum of \$23,344,987, or any other sum, for the following necessary and expedient purposes of the Concord-Carlisle Regional School District for the fiscal year ending June 30, 2020, or take any other action relative thereto.

SCHEDULE A – CONCORD-CARLISLE REGIONAL HIGH SCHOOL BUDGET			
Department	Fiscal 2018 Adopted	Fiscal 2019 Adopted	Fiscal 2020 School Committee Vote of Dec. 11, 2018
Concord-Carlisle Regional High School Budget	\$33,027,108	\$33,749,420	34,687,733
Concord's Assessment	\$21,599,072	\$22,654,028	23,344,987*

*includes \$19,996,874 assessment for operating budget and \$3,348,113 assessment for debt.

This article provides Concord's share of the annual operating budget for the Concord-Carlisle Regional High School. The appropriation presented for Town Meeting approval meets the spending guideline set by the Finance Committee in November 2018.

CONCORD-CARLISLE REGIONAL HIGH SCHOOL CAPITAL PROJECTS

ARTICLE 16. To determine whether the Town will vote to approve \$2,000,000, or any other sum, of debt authorized by the Concord-Carlisle Regional School Committee for the reconstruction of the access road and the design and construction of the parking lot; provided, however, that this approval shall be contingent upon passage of a Proposition 2½ debt exclusion referendum under Massachusetts General Laws c. 59, § 21C(k) to exempt the Town's allocable share of the amounts required for the payment of interest and principal on said borrowing, or take any other action relative thereto.

This article provides Concord's share of the cost for paving the campus entrance road, the design and construction of a parking lot on Concord-Carlisle Regional School District land. These costs will be assessed annually over a period of years consistent with the term of bonds to be issued by the District with debt service expected to commence in FY21.

USE OF FREE CASH

ARTICLE 17. To determine whether the Town will vote to transfer from free cash, the sum of \$1,000,000, or any other sum, to be used by the Board of Assessors to reduce the tax levy for the fiscal year ending June 30, 2020, or take any other action relative thereto.

This article seeks Town Meeting approval to allocate a portion of the available General Fund balance to support the FY20 budget. The proposed amount is consistent with the Finance Committee's FY20 Guideline Budget Plan.

GENERAL BYLAW AMENDMENT – SUSTAINABLE GROWTH RATE

ARTICLE 18. To determine whether the Town will vote to amend the **Finance Committee Bylaw** to add a new Section 4 as follows: “To help the Town plan for and achieve a sustainable financial future, each years Finance Committee report shall also include, for the upcoming fiscal year and for each of the five following fiscal years: (1) a projection of the likely total tax burden on citizens, and (2) based on that burden, a recommended sustainable growth rate, so that said Section 4 reads as follows:

Section 4.

To help the Town plan for and achieve a sustainable financial future, each years' Finance Committee report shall also include, for the upcoming fiscal year and for each of the five following fiscal years: (1) a projection of the likely total tax burden on citizens, and (2) based on that burden, a recommended sustainable growth rate.

or take any other action relative thereto.

This article seeks Town Meeting approval to amend the Finance Committee Bylaw, adding two tasks to the Finance Committee's responsibilities. The first task instructs the Finance Committee to publish an annual five-year projection of the likely burden on the Town's taxpayers. This task was originally adopted by the 2009 Town Meeting, through the passage of a citizen petition. The inclusion of that task in the Finance Committee Bylaw formalizes that 2009 TM action. The second task instructs the Finance Committee to publish an annual statement of its recommendations regarding sustainable growth rates for the upcoming fiscal year and for each of the five following fiscal years. The Finance Committee considers sustainable growth in taxation and budgets to be that which balances over the long term the desirability of socio-economic diversity in the Town, the quality of our schools and municipal services, and the unique position of Concord in our nation's history.

GENERAL BYLAW AMENDMENT – TOWN MEETING NOTICE

ARTICLE 19. To determine whether the Town will vote to amend the Town Meeting Notice Bylaw by deleting the phrase “in at least one public location in each precinct in Concord” and inserting in place thereof the phrase: “and electronically on the town's website” from the first sentence of that Bylaw, so that the Bylaw reads as follows (*changes are shown in bold and strikeout for emphasis only*):

Notice of Town Meeting shall be given by posting an attested copy of the Warrant calling the same at the Concord Town House ~~in at least one public location in each precinct in Concord~~ **and electronically on the town's website**, at least seven days before the day appointed for an annual Town Meeting, and at least fourteen days before the day appointed for any special Town Meeting. A copy of the Warrant of any Town Meeting shall also be sent by mail or otherwise to every household in Concord, and upon request, to places of religious assembly in Concord, at least seven days before an annual Town Meeting, and at least fourteen days before a special Town Meeting, and the return of the officer that he or she has complied by this bylaw shall be conclusive that he has done so.

or take any other action relative thereto.

This article provides for a more effective form of notice to the general public as well as many residents by requiring electronic posting of the warrant on the Town's website. The Warrant will continue to be mailed to every household to ensure that all residents have access to the Warrant. The Warrant will also continue to be posted at the Town House.

GENERAL BYLAW AMENDMENT – RECORDS MANAGEMENT

ARTICLE 20. To determine whether the Town will vote to amend the Records Management Bylaw by deleting the second paragraph and inserting in place thereof the following: "The Town Manager shall appoint a Municipal Archivist who shall report to the Town Clerk and shall assist the Town Clerk in managing the town's records and archives, including complying with the Public Records Law and all other applicable laws.", so that the second paragraph of the Bylaw reads as follows (*changes are shown in bold and strikeout for emphasis only*):

~~The Board of Selectmen, upon recommendation of the Director of the Concord Free Public Library, shall designate a Library employee as Municipal Archivist. The Municipal Archivist shall have the responsibility for the physical oversight of the Town Records stored in the Library vault, including access to the records.~~ The Town Manager shall appoint a Municipal Archivist who shall report to the Town Clerk and shall assist the Town Clerk in managing the Town's records and archives, including complying with the Public Records Law and all other applicable laws.

or take any other action relative thereto.

The Town recognizes that there is a need for records management and preservation across all town departments, boards and committees that require the professional attention of a full time Municipal Archivist. The legal responsibility of town archives preservation lies with the Town Clerk so this position is best suited to report directly to the Town Clerk. Recent amendment to the State Public Records Law has increased the importance of a municipal archivist.

AUTHORIZATION TO ACCEPT M.G.L. c. 54, § 16A – ELECTION VACANCY APPOINTMENTS

ARTICLE 21. To determine whether the Town will vote to accept the provisions of Massachusetts General Laws c. 54, § 16A authorizing the Town Clerk to fill vacant election officer positions if an election officer is unexpectedly absent at the time the polls open for voting, or take any other action relative thereto.

Election officers play an important role in town elections, checking registered voters in and out to document voter activity and providing voters with ballots. The appointing authority for election officers is the Select Board. On occasion, however, there are last minute cancellations leaving polling locations understaffed due to the timing of Select Board Meetings. Accepting this local option would give the Town Clerk the ability to fill vacancies due to cancellations in order to keep elections running smoothly.

COMMUNITY PRESERVATION COMMITTEE APPROPRIATION RECOMMENDATIONS

This article authorizes the appropriation of funds from the Community Preservation Fund for the completion of specific projects as listed in the above chart and allowed under the Community Preservation Act. These projects will expend a total of \$319,000 for Community Housing, \$520,800 for Historic Preservation, \$341,619 for Open Space, \$600,000 for Recreation, and \$30,000 for Administration. Town Meeting may reduce or reject but may not increase the appropriation from the Community Preservation Fund for any item proposed by the Committee

APPROPRIATE FUNDS FOR AFFORDABLE HOUSING DEVELOPMENT

ARTICLE 23. To determine whether the Town will vote to raise and appropriate, or transfer from available funds the sum of \$500,000, or any other sum, for the purpose of developing affordable housing within the Town, said funds to be expended under the direction of the Town Manager on such terms and conditions as the Select Board may determine, or take any other action relative thereto.

The Affordable Housing Funding Committee has recommended in its 2018 report to the Select Board that the town appropriate Free Cash to support affordable housing within Concord when the town's Free Cash balance is higher than five-percent of the annual operating budget. The Town's financial policies have long considered five-percent to be a floor below which the Free Cash balance should not fall. The Select Board anticipates annually requesting an appropriation of Free Cash to support affordable housing until such time as other housing revenues are generated should Articles 24, 25 and 26 be approved and the necessary special legislation enacted. The Affordable Housing Funding Committee's report can be reviewed on the Town's website at:

(<https://concordma.gov/DocumentCenter/View/16975/Affordable-Housing-Funding-Committee---Preliminary-Report-10-29-2018>)

AUTHORIZATION TO ACCEPT M.G.L. c. 44, § 55C – Municipal Affordable Housing Trust Fund

ARTICLE 24. To determine whether the Town will vote to accept Massachusetts General Laws c. 44 § 55C, to authorize the creation of a Municipal Affordable Housing Trust Fund, or take any other action relative thereto.

Massachusetts General Laws Chapter 44, section 55C is a local-option statute intended to promote the development and management of affordable housing. Voting to accept the statute will create a Concord Affordable Housing Trust, which will have the board of trustees appointed by the Select Board exercising a variety of powers including:

(1) to accept and receive real property, personal property or money, by gift, grant, contribution, devise or transfer from any person, firm, corporation or other public or private entity, including but not limited to money, grants of funds or other property tendered to the trust in connection with any ordinance or by-law or any general or special law or any other source...".

The creation of the Concord Affordable Housing Trust will create a town entity that will manage revenues generated for affordable housing if Articles 25 and 26 are approved and the necessary special legislation is enacted.

AUTHORIZE SPECIAL LEGISLATION – REAL ESTATE TRANSFER TAX FOR AFFORDABLE HOUSING

ARTICLE 25. To determine whether the Town will authorize the Select Board to petition the General Court for special legislation substantially in the form below that that would impose a real estate transfer fee to be used by the Town for the purposes of acquiring, creating, preserving, rehabilitating, restoring and supporting affordable housing in the Town, or take any other action relative thereto:

“An act establishing a real estate transfer fee upon the transfer of property in the Town of Concord.”

SECTION 1. There is hereby imposed a real estate transfer fee, hereafter “the fee,” equal to 1 per cent of the purchase price upon the transfer of (i) any real property interest in any residential property situated in the Town of Concord, or (ii) a controlling interest in a trust, limited liability company, or other entity that directly or indirectly holds an interest in any class residential real property situated in the Town of Concord. The fee shall be the liability of the purchaser of such property interest, and any agreement between the purchaser and the seller or any other person with reference to the allocation of the liability for the fee shall not affect such liability of the purchaser to the Town. The Town may define by bylaw what constitutes a controlling interest and the calculation of the fee.

SECTION 2. The following transfers of real property interests shall be exempt from the fee established in Section 1:

- (i) purchases by first time buyers that reside in the residential property for at least 5 years, provided that a lien shall accompany the deed equal to 1 per cent of the purchase price, plus accumulated interest and penalties, and provided further that the lien shall run with the land until such time as all conditions of this subsection are met;
- (ii) transfers to the federal government, the commonwealth, the Town, and any of their instrumentalities, agencies or subdivisions, including the Concord Housing Authority;
- (iii) transfers to the Concord Housing Development Corporation;
- (iv) transfers made without additional consideration to confirm, correct, modify or supplement a transfer previously made;
- (v) transfers with consideration under \$100.00;
- (vi) transfers to a charitable organization, as defined in clause Third of section 5 of chapter 59 of the General Laws, or a religious organization, provided, however, that the real property interests so transferred will be held solely for public charitable or religious purposes; and
- (vii) transfers between family members, including spouses, parents and children, grandparents and grandchildren, step-parents and step-children, siblings or step-siblings.

SECTION 3. The fee shall be paid to the Town. The Town shall have such remedies to collect the fee as provided by law with respect to the collection of real property taxes. The Town may, by bylaw, adopt additional requirements, exemptions, and regulations to implement or enforce said fee, consistent with this act. The Town may not, by bylaw or otherwise, eliminate or reduce any exemption set forth in this act.

SECTION 4. All fees received pursuant to this act shall be dedicated to the Concord Housing Development Corporation established by the Town or deposited in the Concord Affordable Housing Trust Fund established pursuant to section 55C of chapter 44 of the General Laws.

SECTION 5. A copy of the deed or other instrument evidencing such transfer shall be provided to the Town and shall be accompanied by (i) an affidavit signed under oath or under the pains and penalties of perjury by the purchaser and seller attesting to the purchase price; (ii) the applicable fee owed or, if applicable, an affidavit of intent to seek one of the permissible exemptions, as described in Section 2, for that property by the purchaser; and (iii) the basis, if any, upon which the transfer is claimed to be exempt in whole or in part from said fee. Upon receipt of the transfer fee or satisfactory evidence of exemption, the Town or its designee shall promptly thereafter issue a certificate indicating that the fee has been paid or that the transfer is exempt from the fee. The Middlesex South Registrar of Deeds shall not record or register a deed unless the deed is accompanied by such certificate.

SECTION 6. The Town Manager or designee shall prepare and issue an annual report that (i) identifies fee receipts; (ii) quantifies affordable housing programs funded, including type and purpose; and (iii) evaluates the impact of said affordable housing programs, including but not limited to, to the extent reasonably possible and permitted by applicable law, the number and demographics of individuals and families served as well as measures of housing stability and wealth generation in the community.

SECTION 7. This act shall take effect upon its passage.

The Town voted under Article 49 of the 2017 Annual Town Meeting to urge the Select Board to appoint a committee "...to study the affordable housing goals of the Town and recommend appropriate measures to fund those goals". In September of that year, the Select Board appointed the Affordable Housing Funding Committee, and in the fall of 2018, the committee issued its report. The report can be reviewed on the Town's website at (<https://concordma.gov/DocumentCenter/View/16975/Affordable-Housing-Funding-Committee---Preliminary-Report-10-29-2018>)

Rather than funding affordable housing on an occasional basis, the Committee's report recommends that an affordable housing goal for Concord should be to establish "Predicable, Sustainable Funding for Affordable Homes". Seeking legislation to establish a real estate transfer tax is one of the Committee's top 4 recommendations to accomplish this goal. Thirty-five states including Massachusetts have established a real estate transfer tax. Massachusetts currently allows Cape Cod communities, Martha's Vineyard and Nantucket to collect a real estate transfer tax to fund local projects.

**AUTHORIZE SPECIAL LEGISLATION – BUILDING PERMIT FEE SURCHARGE
FOR AFFORDABLE HOUSING**

ARTICLE 26. To determine whether the Town will authorize the Select Board to petition the General Court for special legislation substantially in the form below that permits the Town to enact a bylaw charging a building permit surcharge to be used by the Town for the purposes of acquiring, creating, preserving, rehabilitating, restoring and supporting affordable housing in the Town, or take any other action relative thereto:

“An act establishing a building permit surcharge in the Town of Concord.”

SECTION 1. The Town of Concord, hereafter referred to as “the Town,” may, by bylaw, require the payment of an affordable housing surcharge for any construction that (i) requires a building permit and (ii) exceeds a minimum number of square feet to be determined from time to time by the Select Board of the Town. The bylaw shall specify the amount of said affordable housing surcharge, the method by which the surcharge may be increased from time to time, and any types of construction or uses to which the affordable housing surcharge shall not apply.

SECTION 2. All fees received pursuant to this act shall be dedicated to the Concord Housing Development Corporation established by the Town or deposited in the Concord Affordable Housing Trust Fund established pursuant to section 55C of chapter 44 of the General Laws.

SECTION 3. For the purposes of this act, “affordable housing” shall mean as defined under section 1 of chapter 60 of the General Laws.

SECTION 4. This act shall take effect upon its passage.

Similar to Articles 24 and 25, Article 26 is a proposal recommended by the Affordable Housing Funding Committee as a means for the Town to achieve the goal of creating “predictable, sustainable funding for affordable homes”. This article requests that the Town authorize the Select Board to petition the Massachusetts Legislature to approve special legislation that would authorize Concord to charge a building permit fee surcharge with the revenues dedicated to fund affordable homes. The funds collected would be deposited into a special revolving fund or similar account and would be used to develop, maintain, rehabilitate or otherwise support affordable housing.

**AUTHORIZE TRANSFER OF A PORTION OF THE PROPERTY AT
37B COMMONWEALTH AVENUE FOR AFFORDABLE HOUSING**

ARTICLE 27. To determine whether the Town will vote to authorize the Select Board to transfer the fee, and/or other property interests in, on, over, across, under and along a portion of the property at 37B Commonwealth Avenue, shown on Assessors’ Map 8D as Parcel #2158, which property contains 20,000 square feet, more or less, and is also shown as Parcel “A-2” on the plan of land prepared by Greenman-Peterson, Inc. dated January 11, 2019, on file with the Town Clerk, to the Concord Housing Authority or any other affordable housing development entity, for the sole purpose of creating not more than one unit of affordable housing, under such terms and conditions as the Select Board may determine, or take any other action relative thereto.

The Town voted under Article 25 of the 2018 Annual Town Meeting to purchase 7 acres of land at 37B Commonwealth Avenue with frontage on Warner's Pond "...for municipal purposes, including active recreation and affordable housing...". The Concord Housing Authority has offered to construct a unit of public housing, abutting an existing unit of CHA housing at 365 Commonwealth Avenue. The remainder of the property, which is adjacent to the Bruce Freeman Rail Trail, will be developed as public park. This article proposes that the portion of the property with frontage on Commonwealth Avenue be transferred to the Concord Housing Authority for the development of one unit of affordable housing.

BY PETITION ADOPT A MORATORIUM OF SYNTHETIC TURF ON TOWN PROPERTY

ARTICLE 28. To determine whether the Town will adopt a moratorium on the construction or installation of any synthetic turf (monofilament carpet with infill) and any surface covering of loose fill made from scrap tires on any land, of any size, owned by the town for a three-year time period starting on April 18, 2019 and ending on April 18, 2022; or take any other action relative thereto.

This moratorium is a three year extension of the 2016 moratorium which the town voted to put in place to prevent the construction of synthetic turf fields on town land in Concord. Crumb rubber, used in synthetic turf, contains known carcinogens and endocrine disruptors raising concerns about its health effects, especially in young children. The Environmental Protection Agency (EPA) has stated that without further study no conclusions can be drawn about the safety of crumb rubber and together with the Consumer Product Safety Commission and the Center for Disease Control and Prevention, they are still working on a study regarding the safety of synthetic turf. Synthetic turf also has environmental impacts which include the loss of carbon capture by grass; the annual loss of 3-5% of the crumb rubber that leaches from the fields into the surrounding area; plastic monofilaments that break off and leave the fields; and poor retention of water after heavy rain events. Building synthetic turf fields violates the four sustainability principles adopted by the Town in 2011. The proposed moratorium does not include the sealed surfaces currently in use on running tracks and children's playgrounds. It would apply to Concord Public School fields but not Concord-Carlisle Regional High School fields or privately owned land.

ZONING BYLAW AMENDMENT – FORMULA BUSINESS

ARTICLE 29. To determine whether the Town will vote to amend the **Zoning Bylaw Section 3.3 Formula Business** to delete Section 3.3 entirely and adopt a new Section 3.3 that reads as follows:

3.3 Formula Business

3.3.1 Purpose. The purpose of regulating the number, location, and visual features of formula businesses in the Concord Center, West Concord Business and West Concord Village Districts is to maintain the unique, small-scale, small-town character and the quality of life for all Concord residents by preserving the individuality and distinctive appeal of its village centers, which are among the Town's most recognized features. Preservation of the existing character, diversity, variety and scale of these districts is vital to the continuation of Concord's ability to attract both residents and visitors.

The Concord Center Business District is the historic heart of the Town, serving as a commercial, cultural, and government center for the community and visitors from around the world. It was established over three centuries ago, and continues to maintain a design and form that represents the quintessential New England town center. The Concord Center Business District also offers abundant cultural resources, including galleries, bookshops, a theatre and other performance venues. It is fully contained within the Concord Center Cultural District, one of the first Cultural Districts to be designated under G.L. c. 10, § 58A in Massachusetts, and falls within the American Mile, Main Street and North Bridge/Monument Square Historic Districts.

West Concord's Business and Village Districts currently provide a mix of unique businesses, architecture, signage, and graphic and other design elements, which gives West Concord a distinctive visual appearance and small-scale eclectic ambiance. The West Concord Junction Cultural District was designated as a Massachusetts Cultural District under G.L. c. 10, § 58A in 2016.

The Town's preservation goals are evidenced in the Comprehensive Long Range Plans of 2005 and 2018, the Village Centers Study of 2007, the Call to Action of 2008, the West Concord Task Force Public Survey of 2009, in committee and public comment in public meetings and public forums of the Comprehensive Long Range Plan Committee and the West Concord Task Force, and in the West Concord Master Plan of 2010.

3.3.2 Limitation on the number of formula businesses in the Concord Center, West Concord Business and West Concord Village District: Limiting the number of formula businesses will allow the Concord Center, West Concord Business and West Concord Village Districts to avoid a proliferation of businesses that are homogenous and visually obtrusive, will safeguard Concord's historical relevance, and will ensure that Concord residents and tourists continue to have unique dining, retail and service experiences in its village centers.

The total number of formula businesses in the Concord Center Business District is limited to 12. The total number of formula businesses in the West Concord Business District and the West Concord Village District combined is limited to 10. When the total existing number of formula businesses is equal to or greater than these limits, no new formula businesses may be established until and unless an existing formula business closes, adapts so that it no longer qualifies as a formula business, or relocates outside of the affected business district. If a business in current operation becomes a formula business by means of additional locations being established, this business shall count toward the total number of formula businesses, but shall not be considered as a formula business being established.

3.3.3 Special permit required: The establishment of a new formula business, expansion, or relocation of an existing formula business in the Concord Center, West Concord Business, and West Concord Village Districts shall require the grant of a special permit as defined in Section 11.6 from the Planning Board.

3.3.4 Additional criteria for establishment, expansion, or relocation of a formula business in the Concord Center, West Concord Business, and West Concord Village Districts:

- (a) The formula business is designed and operated in a manner that preserves the community's distinctive small-town character, as detailed in Section 3.3.1;
- (b) The formula business contributes to the diversity of uses to assure a balanced mix of businesses available to serve residents and visitors;

- (c) The formula business does not result in an over-concentration of formula businesses in its immediate vicinity;
- (d) The formula business use, together with the design and any improvements, is compatible with the existing architecture and unique aesthetic appearance of the district.
- (e) The formula business shall not increase the intensity of use on the site to a level that will adversely impact land uses in the area, pedestrian or motor vehicle traffic or the public welfare; and
- (f) No drive-through facilities are allowed.

3.3.5 *Determination*: A formula business may adapt its business activities in consultation with the Building Inspector so that the proposed establishment no longer qualifies as a formula business as defined in subsection 1.3.10.

or take any other action relative thereto.

In 2011, Concord Town Meeting voted to amend the Zoning Bylaw to add a definition of formula business, to set a limit of ten on the number of such businesses, and provide a special permit process for establishing, expanding or relocating such businesses in the West Concord Business District and West Concord Village District. This amendment extends the same formula business regulations to the Concord Center Business District, and limits the number of such businesses to twelve in the Concord Center Business District. The purpose of the Formula Business Bylaw is to preserve the existing character, diversity, variety and scale of the three districts, which are vital to the continuation of Concord's ability to attract both residents and visitors. Due to the number of amendments required throughout the entire Bylaw, Section 3.3 is being replaced in its entirety for ease of reading.

Definition of Formula Business as it appears in the Town of Concord's Zoning Bylaw:

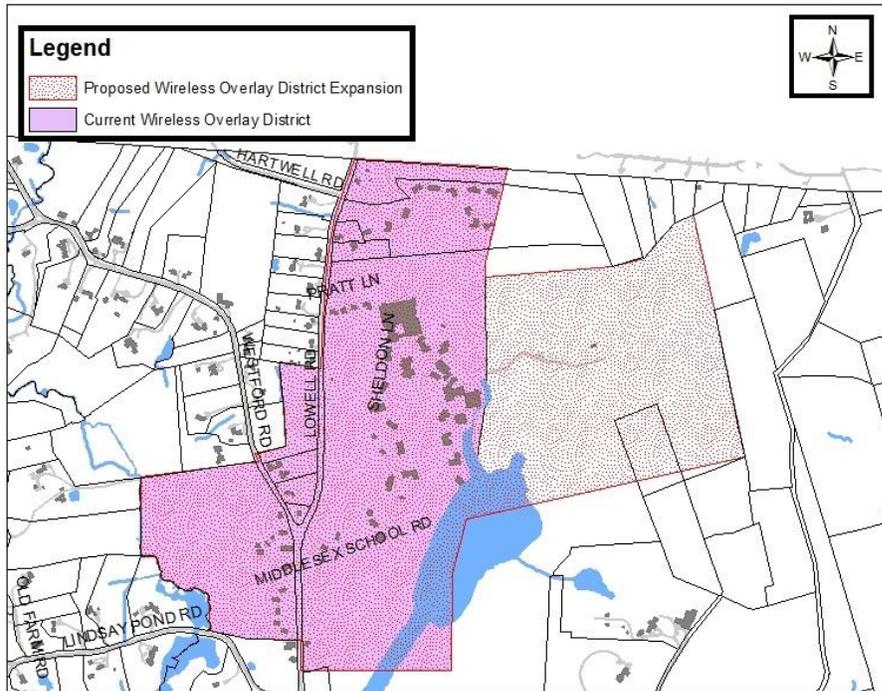

1.3.10 Formula business: A type of business activity that maintains two or more of the following standardized features:

- 1. array of services and/or merchandise, or menu***
- 2. trademark, logo, service mark or symbol***
- 3. décor, architecture, layout or color scheme***
- 4. uniforms***
- 5. sign***

and these features are the same as or substantially the same as fifteen or more such establishments, regardless of ownership or location. Formula businesses shall not include post offices, churches, schools, government facilities, grocery stores or accessory uses.

ZONING BYLAW AMENDMENT – PERSONAL WIRELESS COMMUNICATIONS FACILITY OVERLAY DISTRICT MAP

ARTICLE 30. To determine whether the Town will vote to amend the seventh paragraph of **Zoning Bylaw Section 2.2 Zoning Map** by deleting “Wireless Communication Facility(s) Overlay District Map, Town of Concord, April 26, 2004 (Scale 1” = 1,000’ consisting of a single sheet)” and adopting a new map that is on file with the Town Clerk’s office entitled “Personal Wireless Communications Facility Overlay District Map, Town of Concord, April 2019 (Scale 1” = 1,000’ consisting of a single sheet)” that expands the District near 1400 Lowell Road, or take any other action relative thereto.

At the 2018 Annual Town Meeting, a citizen’s petition was submitted to extend the Wireless Overlay District to include 1400 Lowell Road (Middlesex School). The Planning Board recommended Town Meeting take no action on this warrant article because there had been no comprehensive process with Town staff in the vetting of the zoning bylaw amendment or a deliberative process for the property owners and abutters to review and discuss the proposed amendment other than at a single public hearing or on the floor of Town Meeting. The article did not pass due to the lack of a 2/3 majority vote of Town Meeting. The Planning Board has since reviewed the expansion of the District in this location, taking into consideration apparent physical limitations in the area, and discussed the potential expansion at three separate public meetings. The Planning Board believes the expansion of the District in this location will enable consideration of additional options for wireless services that are consistent with the general requirements described in Section 7.8.4.2 (i.e. general requirements for personal wireless communication facilities).

ZONING BYLAW AMENDMENT – HANDICAPPED PARKING

ARTICLE 31. To determine whether the Town will vote to amend the **Zoning Bylaw Section 7.7.3.7 Handicapped parking** to substitute the word “Barriers” with the word “Access” and delete the phrase “Department of Public Safety” so that this Section reads as follows (*changes are shown in bold and strikethrough for emphasis only*):

7.7.3.7 Handicapped parking: Parking facilities shall provide specially designated parking spaces for the physically handicapped in accordance with the rules and regulations of the Architectural **Access** ~~Barriers~~ Board of the Commonwealth of Massachusetts ~~Department of Public Safety~~.

or take any other action relative thereto.

The Commonwealth of Massachusetts has changed the name of the State Board that promulgates handicapped parking rules and regulations from the Architectural Barriers Board to the Architectural Access Board (AAB). Additionally, the AAB is no longer under the Department of Public Safety.

ZONING BYLAW AMENDMENT – GROUNDWATER CONSERVANCY DISTRICT

ARTICLE 32. To determine whether the Town will vote to amend the **Zoning Bylaw Section 7.6 Groundwater Conservancy District** to delete the word “acre” at the end of the Section 7.6.5.8 and insert in its place the phrase “40,000 square feet” so that Section 7.6.5.8 reads as follows (*changes are shown in bold and strikeout for emphasis only*):

7.6.5.8 On-site subsurface disposal which requires a minimum design flow under Title V in excess of four hundred and forty (440) gallons per day per ~~acre~~ **40,000 square feet**.

or take any other action relative thereto.

The State Environmental Code Regulating Septic Systems (Title V) defines an acre as a unit of land measure equal to 40,000 square feet, which is considered a building acre in accordance with standard real estate practices. This proposed amendment will bring this Section of the Bylaw in conformance with Title V.

ZONING BYLAW AMENDMENT – MARIJUANA ESTABLISHMENT TEMPORARY MORATORIUM

ARTICLE 33. To determine whether the Town will vote to amend the **Zoning Bylaw Section 4.8 Marijuana Establishment Temporary Moratorium** to delete this Section in its entirety, or take any other action relative thereto.

The 2018 Annual Town Meeting passed a General Bylaw that prohibits all marijuana establishments, which includes a marijuana cultivator, marijuana testing facility, marijuana product manufacturer, marijuana retailer or any other type of licensed marijuana-related business. The General Bylaw was then ratified through a ballot question at the June 12, 2018 Special Town Election. The Marijuana Establishment Temporary Moratorium is therefore no longer necessary. This Bylaw amendment does not change any of the requirements under Section 4.3.9 Registered Marijuana Dispensary, which allows medical marijuana dispensary in the Medical-Professional Zoning District.

ZONING BYLAW AMENDMENT – NONCONFORMING SINGLE AND TWO FAMILY RESIDENTIAL STRUCTURES

ARTICLE 34. To determine whether the Town will vote to amend the **Zoning Bylaw Section 7.1.5 Nonconforming single and two family residential structures** to delete “(d) extension of a structure by more than fifty percent (50%) is based on the aggregate of all expansions undertaken within a consecutive five (5) year period.” and insert in the first paragraph after the words “by more than fifty percent (50%)” the phrase “**(based on the aggregate of all expansions undertaken within a consecutive five (5) year period)**” so that Section 7.1.5 reads as follows (*changes are shown in strikeout and bold for emphasis only*):

7.1.5 *Nonconforming single and two family residential structures.* Nonconforming single and two family residential structures may be reconstructed, extended, altered, or structurally changed upon a determination by the Building Inspector that such proposed reconstruction, extension, alteration, or structural change does not increase the nonconforming nature of said structure. Where the proposed extension, reconstruction, alteration or structural change does not increase the gross floor area, excluding basements, open or screened porches, and decks, contained within the existing structure by more than fifty percent (50%) **(based on the aggregate of all expansions undertaken within a consecutive five (5) year period)**, the following circumstances shall not be deemed to increase the nonconforming nature of said structure:

- (a) extension, reconstruction, alteration or structural change to a structure located on a lot with insufficient area which extension, reconstruction, alteration or structural change complies with all current setback, yard, building coverage, maximum floor area ratio, and building height requirements.
- (b) extension, reconstruction, alteration or structural change to a structure located on a lot with insufficient frontage which extension, reconstruction, alteration or structural change complies

with all current setback, yard, building coverage, maximum floor area ratio, and building height requirements.

- (c) extension, reconstruction, alteration or structural change to a structure which encroaches upon one or more required yard or setback areas, where the extension, reconstruction, alteration or structural change will comply with all current setback, yard, building coverage, maximum floor area ratio, and building height requirements.
- ~~(d) extension of a structure by more than fifty percent (50%) is based on the aggregate of all expansions undertaken within a consecutive five (5) year period.~~

In all other cases, the Board may, by special permit, allow such extension, reconstruction, alteration, or structural change where it determines that the proposed modification will not be substantially more detrimental than the existing nonconforming structure to the neighborhood.

or take any other action relative thereto.

This proposed amendment will fix the formatting of the subsections, because Item (d) is not a circumstance that "shall not be deemed to increase the nonconforming nature of" a structure. This proposed amendment will not alter or change the substance of this section.

**ZONING BYLAW AMENDMENT – FAIRS, BAZAARS, ANTIQUE SHOWS,
SUPPERS AND DANCES**

ARTICLE 35. To determine whether the Town will vote to amend the **Zoning Bylaw Section 5.4.5 Fairs, bazaars, antique shows, suppers and dances** to (a) delete the word "municipal," (b) insert the sentence "Any such event held by the Town of Concord, in or on any building or premises owned or operated by the Town of Concord, shall not be subject to the restrictions of this Section or the requirement to obtain a special permit hereunder." at the end of the Section, and (c) make grammatical corrections to the Section, so that this Section reads as follows (*changes are shown in bold and strikeout for emphasis only*):

5.4.5 *Fairs, bazaars, antique shows, suppers and dances:* In all districts, any building or premises owned or operated by ~~a an municipal,~~ educational or religious organization or private lodge or club may be used for fairs, bazaars, antique shows, suppers, dances or similar events, provided that: no such event shall continue for more than three (3) days; such event shall take place entirely within a building; and police supervision of parking and traffic shall be provided during the event, unless the Concord Police Chief is of the opinion that such supervision is unnecessary. Events, which do not conform to the provisions of this subsection, may be authorized by the Board by special permit. **Any such event held by the Town of Concord, in or on any building or premises owned or operated by the Town of Concord, shall not be subject to the restrictions of this Section or the requirement to obtain a special permit hereunder.**

or take any other action relative thereto.

The Town of Concord often holds events, such as Picnic in the Park, Stow Street Block Party, JazzFest, Drop-off/Swap-off and Discover West Concord Day. These events are coordinated through various Town Departments and with the Select Board, Town Manager and Police Chief. The Planning Board believes it serves no beneficial purpose for the Town to also have to file for a Special Permit with the Zoning Board of Appeals to hold an event.

ZONING BYLAW AMENDMENT – FLOOD PLAIN CONSERVANCY DISTRICT MAP

ARTICLE 36. To determine whether the Town will vote to amend the third paragraph of **Zoning Bylaw Section 2.2 Zoning Map** by (a) deleting the date January 1, 2015 and inserting the date April 2019, (b) inserting reference to the LOMR dated February 9, 2018 for FIRM Panel 25017C0264F, 25017C0376F, 25017C0377F, 25017C0378F, and 25017C0379F, (c) inserting reference to the Letter of Map Revision dated February 9, 2018, and (d) making grammatical corrections to the Section, so that said third paragraph reads as follows (**bold for clarity only**):

Flood Plain Conservancy District, Town of Concord, **April 2019** ~~January 1, 2015~~ (Scale 1"=1000' consisting of a single sheet). The general boundaries of the Flood Plain Conservancy District includes all special flood hazard areas within the Town of Concord designated as Zone A, AE and AH, on the Middlesex County Flood Insurance Rate Maps (FIRMs) issued by the Federal Emergency Management Agency (FEMA) for the administration of the National Flood Insurance Program. The map panels of the Middlesex County FIRM that are wholly or partially within the Town of Concord are panel numbers 25017C0244F, 25017C0263F, 25017C0264F, 25017C0356F, 25017C0357F, 25017C0358F, 25017C0359F, 25017C0366F, 25017C0367F, 25017C0376F, 25017C0377F, 25017C0378F, 25017C0379F, 25017C0381F, 25017C0383F, 25017C0386F and 25017C0387F dated July 7, 2014, with panels 25017C0378F and 25017C0379F revised by Letter of Map Revision dated August 14, 2015 **and panels 25017C0264F, 25017C0376F, 25017C0377F, 25017C0378F, and 25017C0379F revised by Letter of Map Revision dated February 9, 2018.** The exact boundaries of the District may be defined by the 100-year base flood elevations shown on the ~~FIRM~~ **FIRMs** and further defined by the Middlesex County Flood Insurance Study (FIS) report dated July 7, 2014 and ~~Letter~~ **Letters** of Map Revision dated August 14, 2015 **and February 9, 2018.** The FIRM and FIS report are incorporated herein by reference and are on file with the Town Clerk.

And, by amending Zoning Bylaw Section 2.3.5 to insert a reference to the Letter of Map Revision dated February 9, 2018 so that Section 2.3.5 reads as follows (**bold for clarity only**):

2.3.5 The exact boundaries of the Flood Plain Conservancy District shall be the location on the ground of the 100-year flood contours shown on the Flood Plain Conservancy District maps or the Middlesex County FIRMs, and as determined by an actual field survey. Supplementary information concerning flood elevations and the limits of the floodway may be found in the Middlesex County "Flood Insurance Study" booklet dated July 7, 2014 and ~~Letter~~ **Letters** of Map Revision dated August 14, 2015 **and February 9, 2018** and published by the Federal Emergency Management Agency.

or take any other action relative thereto.

This Zoning Bylaw amendment updates the Flood Plain Conservancy District boundary as a result of an alteration to the Flood Insurance Rate Map for a portion of the Concord River and Sawmill Brook 2 through a Letter Of Map Revision issued by the Federal Emergency Management Agency. This amendment keeps the Town in compliance with requirements of the National Flood Insurance Program.

ZONING BYLAW AMENDMENT – LARGE GROUND-MOUNTED SOLAR TABLE OF USES

ARTICLE 37. To determine whether the Town will vote to amend the **Zoning Bylaw Section 4.4 Government and Utility Uses and Table I Principal Use Regulations** to add Section 4.4.5 Large-Scale Ground-Mounted Solar Photovoltaic Installation and a new line in Table I so that Section 4.4.5 and Table I read as follows:

4.4.5 Large-Scale Ground-Mounted Solar Photovoltaic Installation: A solar photovoltaic system that is structurally mounted on the ground and is not roof-mounted, and has a rated nameplate capacity of at least two hundred-fifty kilowatts (250 kW) direct current (DC) in accordance with the provisions of Section 7.9.

Table I – Principal Use Regulations

	Principal Use	Residential Districts				Commercial Districts					Industrial Districts					Site Plan Approval
		RAA	RA	RB	RC	WCV	B CCB TDB NACB	WCB	LB	MP	WCI	I	IPA	IPB	LIP#1 LIP#2	
4.4.5	Large Ground-Mounted Solar Photovoltaic Installation	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	yes	R

or take any other action relative thereto.

Section 7.9 Large-Scale Ground-Mounted Solar Photovoltaic Installation was adopted in 2012 to promote the creation of new large-scale ground-mounted solar photovoltaic installations in any zoning district by providing standards for the placement, design, construction, operation, monitoring, modification and removal of such installations that address public safety, and minimize impacts on scenic, natural and historic community resources. However, the Definitions under Section 4.4 and Table I Principal Use Regulations were not amended at the same time to reflect the provisions of Section 7.9. This Bylaw amendment corrects that omission. It does not change any of the requirements under Section 7.9.

LIGHT PLANT EXPENDITURES & PAYMENT IN LIEU OF TAXES

ARTICLE 38. To determine whether the Town will vote that the income from sales of electricity and from servicing and jobbing during the ensuing fiscal year, together with the balance of operating cash in the Light Plant Fund, be expended without further appropriation under the direction and control of the Town Manager for the expenses of the Light Plant for said fiscal year, as defined in Massachusetts General Laws ch. 164, § 57; and/or for other plant extensions, enlargements, additions, renewals and reconstruction; and further, to authorize a transfer of \$452,000 or any other sum, from the Operating Fund of the Light Plant to be used by the Board of Assessors to reduce the tax levy for the fiscal year ending June 30, 2020; or take any other action relative thereto.

This article authorizes the Town Manager, as manager of the Light Plant, to expend the income received by the Light Plant from the sale of electricity along with other departmental income to be used for the purposes of operating the department for the fiscal year ending June 30, 2020. This is a routine annual action. Further, this article authorizes the transfer of \$452,000 from the operating fund of the Light Plant to the General Fund, an amount consistent with past years and designed to represent what a private utility would pay in property taxes. The amount is based on the Light Plant's sales revenue.

SOLID WASTE DISPOSAL FUND EXPENDITURES

ARTICLE 39. To determine whether the Town will vote that the income from user fees for solid waste disposal services, associated services, and jobbing services by Concord Public Works during the ensuing fiscal year, together with the balance of operating cash in the Solid Waste Disposal Fund, be expended without further appropriation under the direction and control of the Town Manager in accordance with the Motion passed under Article 27 of the 1989 Annual Town Meeting; or take any other action relative thereto.

Pursuant to Article 27 of the 1989 Annual Town Meeting, this article authorizes the Town Manager to use cash on hand in the Solid Waste Disposal Fund and user fee revenue from fiscal year ending June 30, 2020 to be used to operate the Town's "pay-as-you-throw" curbside solid waste and recycling collection and disposal program. The Program consists of two major components: curbside collection and disposal including recycling and Drop-Off Days; and the operation and maintenance of the Town's composting site including the former landfill. This has been a routine annual action.

SEWER SYSTEM EXPENDITURES

ARTICLE 40. To determine whether the Town will vote that the income from user fees, special service fees and jobbing services by the Water and Sewer Division of Concord Public Works during the ensuing fiscal year, together with the balance of operating cash in the Sewer Fund, be expended without further appropriation under the direction and control of the Town Manager in accordance with the Motion passed under Article 37 of the 1976 Annual Town Meeting; or take any other action relative thereto.

Pursuant to Article 37 of the 1976 Annual Town Meeting, this article authorizes the Town Manager to use cash on hand in the Sewer Fund and fiscal year 2020 revenue for the operation and maintenance and improvement of the Town's sewer system. The Sewer Fund is an enterprise fund similar to the Town's Water and Light Plant Funds. The entire cost of operations, maintenance, and capital replacement and renewal is funded by user fees. At the present time approximately one-third of Concord's residences and many businesses and institutions are connected to the Town's municipal sewer system. This has been a routine annual action.

SEWER IMPROVEMENT FUND EXPENDITURES

ARTICLE 41. To determine whether the Town will vote that the income from sewer improvement fees during the ensuing fiscal year, together with the balance of operating cash in the Sewer Improvement Fund, be expended without further appropriation under the direction and control of the Town Manager in accordance with the Motion passed under Article 25 of the 1989 Annual Town Meeting and applicable state enabling statutes, or take any other action relative thereto.

Pursuant to Article 25 of the 1989 Annual Town Meeting, this article authorizes the Town Manager to use cash on hand in the Sewer Improvement Fund (a sub-fund within the Sewer Fund) and fiscal year 2020 fees for constructing and expanding the Town's sewer lines and treatment facility capacities. Sewer improvement fees are charged to certain properties connecting to the sewer system. This has been a routine annual action.

WATER SYSTEM EXPENDITURES

ARTICLE 42. To determine whether the Town will vote that the income from user fees, special service fees, and jobbing services by the Water and Sewer Division of Concord Public Works during the ensuing fiscal year, together with the balance of operating cash in the Water Fund, be expended without further appropriation under the direction and control of the Town Manager in accordance with the Motion passed under Article 38 of the 1974 Annual Town Meeting, or take any other action relative thereto.

Pursuant to Article 38 of the 1974 Annual Town Meeting, this article authorizes the Town Manager to use cash on hand in the Water Fund and fiscal year 2020 revenue for the operation and maintenance and improvement of the Town's water system. Similar to the Town's Sewer and Light Plant Funds, the Water Fund is an enterprise fund. The entire cost of operations, maintenance, and capital replacement and renewal is funded by user fees. Almost all of Concord's residences and businesses/institutions are connected to the Town's municipal water system. This has been a routine annual action.

DEBT AUTHORIZATION – WATER MAIN REPLACEMENT

ARTICLE 43. To determine whether the Town will vote to raise and appropriate, transfer from available funds, or authorize the Town Treasurer with the approval of the Select Board to borrow by the issuance of bonds or notes under the provisions of Chapter 44 of the Massachusetts General Laws, the sum of \$4,000,000, or any other sum, to fund a multi-year water main replacement program, for the repair, reconstruction, renovation, replacement or design of water mains and water system improvements, said funds to be expended under the direction of the Town Manager; and further that the Town Manager be authorized to accept and expend state grants as may be available for the same purpose, and that the Treasurer, with the approval of the Select Board, be authorized to borrow up to the amount stipulated in such grant or grants under the provisions of Massachusetts General Laws ch. 44, in anticipation of reimbursement of this amount, and further that any premium received by the Town upon the sale of any bonds or notes approved by this

vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with Massachusetts General Laws c. 44, § 20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount, or take any other action relative thereto.

This article authorizes the Treasurer to borrow \$4,000,000 for the repair, reconstruction, renovation, placement and design costs associated with Concord's water main distribution system and water system infrastructure. This borrowing will fund a multi-year water main replacement program to maintain a portion of Concord's 132 miles of the water main distribution system and over 1,300 fire hydrants. Funding will also be used as contingency funding, if required, for ongoing water system improvements including the Annursnac and Pine Hill reservoir improvements, water pump station improvements and the Nagog Pond water treatment plant and associated Infrastructure. This borrowing is part of the Town Manager's Five-Year Capital Plan, to be funded through the Water Enterprise Fund.

AUTHORIZE EXPENDITURE FROM PEG ACCESS & CABLE-RELATED FUND

ARTICLE 44. To determine whether the Town will vote to raise and appropriate, or transfer from the PEG Access and Cable-Related Fund the sum of \$600,000, or any other sum, said funds to be expended during the fiscal year ending June 30, 2020 under the direction of the Town Manager for necessary and expedient cable-related purposes consistent with the Town's license agreement with Comcast, or take any other action relative thereto.

The Town currently receives 4.8% of all revenue generated by Comcast from the company's Concord customers. This amounts to about \$360,000 per year. This article proposes that the revenue from Comcast received during calendar year 2018 be appropriated, to be used only for cable-related purposes in accordance with the ten-year license agreement, and that an additional \$240,000 available in the PEG Access and Cable-Related Fund be appropriated, of which \$270,000 shall be reserved for capital improvements needed to enhance PEG access services. PEG Access services are Public, Educational and Governmental local cable television channels. The fund balance as of January 1, 2019 is \$1,172,807.15.

BEEDE SWIM & FITNESS CENTER ENTERPRISE FUND EXPENDITURES

ARTICLE 45. To determine whether the Town will vote to appropriate the amount required for the total expenses of the Community Pool Enterprise Fund for the fiscal year ending June 30, 2020 for the operation of the Community Pool, in accordance with Massachusetts General Laws, c. 44, § 53F½, said funds to be expended under the direction of the Town Manager, or take any other action relative thereto.

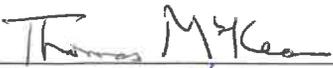

The 2018 Annual Town Meeting appropriated a fiscal year 2019 Beede Center operating budget of \$2,379,905 (\$2,122,500 from estimated revenues, \$245,405 from the undesignated Fund Balance) and a capital budget of \$567,500 (funded from the undesignated fund balance). The FY20 budget will be submitted by the Town Manager and reviewed at a public hearing on March 11, 2019.

UNPAID BILLS

ARTICLE 46. To determine whether the Town will vote to raise and appropriate, or transfer from available funds, a sum of money to pay the unpaid bills of prior fiscal years, or take any other action relative thereto.

If there are unpaid bills of a prior fiscal year, State Law requires that such bills be presented to the Town Meeting.

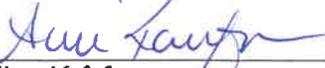

Hereof fail not and make due return of this Warrant with your doings thereon, to the Town Clerk, at or before the time of meeting aforesaid. Given under our hands this 14th day of January in the year two thousand-nineteen.
