

Bruce Freeman Rail Trail – scenes from February 6th site visit in West Concord: Trail crossing in Commuter Parking Lot; crossing signals for Trail at commuter rails; fence opening and mini-high platform ramp; trail between Depot and Woods Hill Table; potential area for low-growing landscaping between trail and platform suggested by “Green Thumbs”.

Top row: photos of the Main Street/Commonwealth Ave intersection showing bicycle racks, benches and mulch areas.

Bottom row: photos of the Nashoba Brook bridge rest area with benches, rails and connection to Brookside path.
