CARRIAGE HOUSE WOOD

Custom wood, Stained finish, Decorative hardware

stunning handcrafted wood doors

Architectural details for homes of distinction.

Wayne Dalton's wood doors combine the convenience of modern sectional doors with the classic appearance of swing-open carriage house style wood doors. Our Amish craftsmen in Mt. Hope, Ohio, and our wood artisans in Centralia, Washington, hand-build beautiful wood doors to your specification with thorough attention to every detail.

DOOR CONSTRUCTION

Premium Construction Models 7400-7412

Paint or stain grade, insulation standard.
2" four-layer construction.* Polystyrene insulation provides an R-value of up to 4.75.

*Thickness may vary slightly depending on wood type

Standard Construction Models 7100-7105

Paint or stain grade, insulation optional.
Up to 1-5/8" thick rail and stile construction with panel inserts.

quality materials

As one of the largest makers of wood garage doors, we make a point to be involved in the complete life cycle of every wood door. We use a combination of premium woods in our doors to enhance the look of the door, with a variety of woods available to customize your door.

No matter what type of wood you choose, the result is a fine quality, beautiful wood door that will yield many years of reliable performance. Hemlock makes a superb painting surface. Cedar is an excellent exterior grade material, highly resistant to rot and insects. Mahogany has a tight smooth grain and is naturally weather resistant. Since each type of wood is different, your door will be uniquely yours.

Wayne Dalton offers a one year limited warranty on all 7000 Series wood doors. See full text of the warranty for details.
