This is the second planning forum to help develop a vision and zoning for the Thoreau Depot area. The Town's consultant will provide a presentation of a synthesis of community feedback, a draft vision, and draft recommendations for zoning and other elements. If you can't make it, don't worry! The presentation will be posted to the Planning Board's web page and you can send in comments to the [Planning Division](#) by email until July 10th. Following this forum, the vision and recommendations will be refined, and a first draft zoning bylaw will be developed.
