

Electric Patio Heater Rebate Application

REBATE INFORMATION

CMLP is offering its commercial customers a rebate for 50% of electric patio heater(s) purchase cost. The rebate is capped at \$1,000 per 12-month period.

The following are NOT eligible for this rebate:

- Patio heaters purchased by residential customers
- Propane-fueled patio heaters
- Labor or equipment to mount or install patio heaters

This rebate is available for purchases made on or after July 1, 2020, as shown by receipt or invoice date.

All rebates under \$600 are issued as a credit on your electric bill. Customers may choose to receive rebates of \$600 or more as either a bill credit or a check from the Town. Customers receiving checks of \$600 or more will get a 1099 from Town for the relevant tax year if required by tax code.

Include the following documents with your rebate application:

- Receipts or invoices for patio heaters, showing equipment make and model, date, and CMLP customer name or DBA.
- If requesting a rebate of \$600 or more *in the form of a check*, submit your W-9 on IRS's Nov. 2017 or Oct. 2018 Revised Form.
