

325 Main Street

Application for Certificate of Appropriateness
Amendment to Application – August 19, 2020

Window Specifications:

Marvin Ultimate Double Hung (except awning on barn dormer and one casement in kitchen)

- Wood construction
- Exterior is aluminum clad, stone white color
- Low E2 glass with Argon: U-Factor: 0.29
- 5/8" SDL with spacer bar
- Putty Exterior Glazing Profile
- 4 9/16" jambs
- Thick sub sill and 6" long sill horns
- Charcoal fiberglass screens
- Dimensions match existing windows
- Casings and pediments installed by carpenter, to match current

Simulated Divided Lite with Spacer Bar (SDLS)

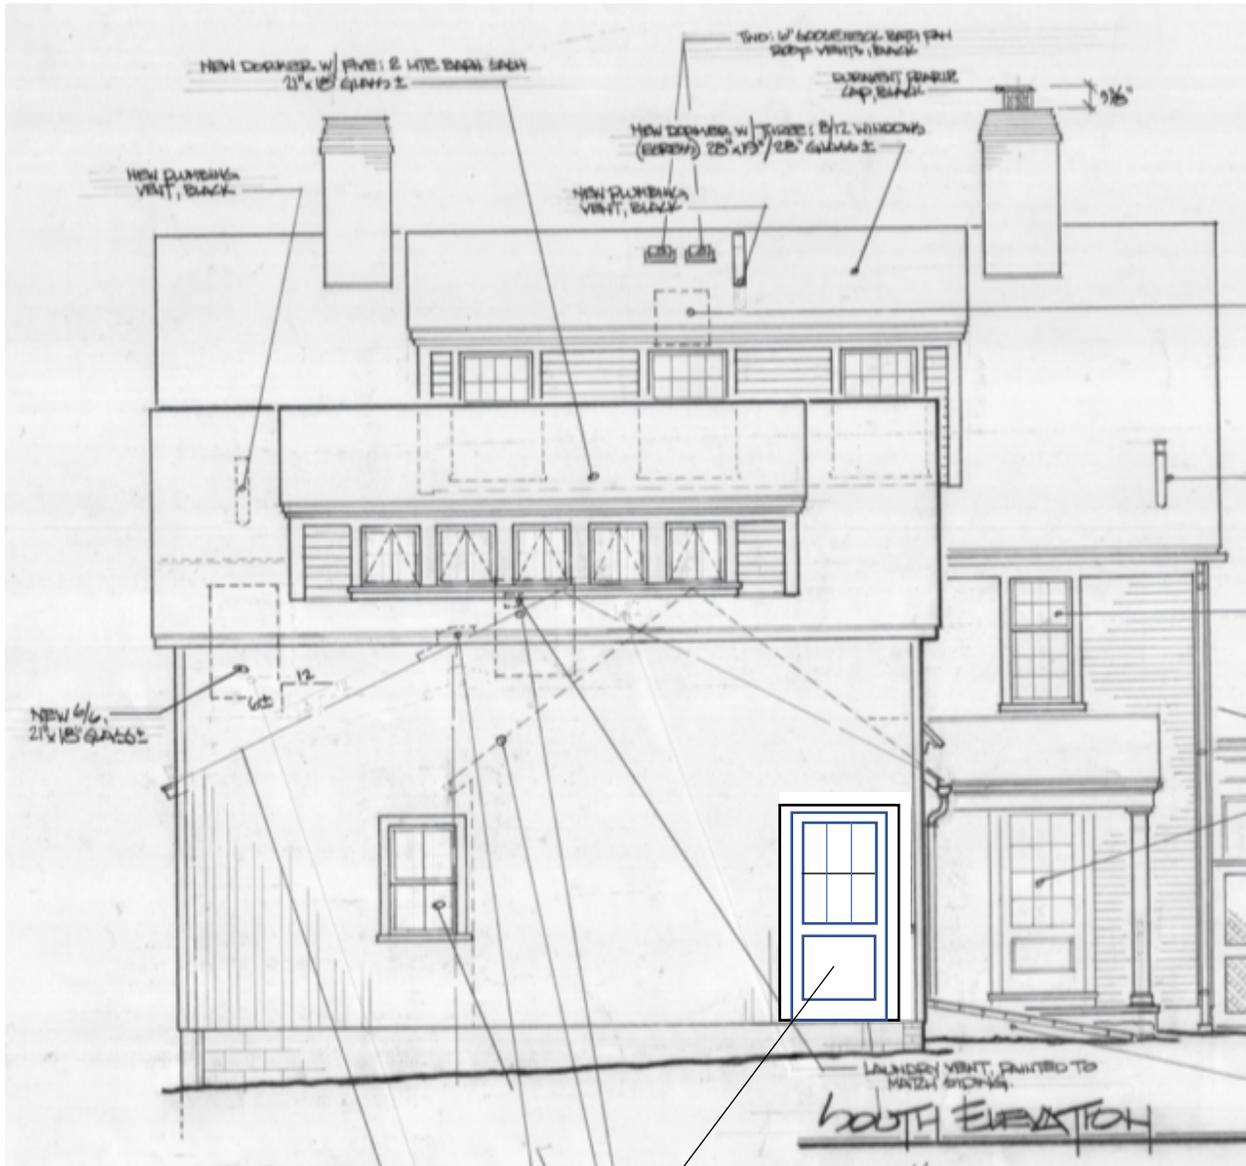

Paired with SDL bars on the exterior of the glass, a spacer bar is installed between the glass, creating an even closer match to the Authentic Divided Lite look.

Features of the Ultimate Double Hung G2 Window

- Available in heights up to 10.5 feet or widths up to 5.5 feet
- Marvin's exclusive auto-lock activates when sashes are closed for convenient security
- Unique wash mode allows cleaning of both sides of glass from indoors
- Narrow checkrail maximizes view, while maintaining historical accuracy
- Retractable screen option is nearly invisible when the screen is not in use
- Available with the same features in a single hung style, with optional Lift Lock
- Additional configurations include round top, stationary transom or picture window
- Hidden Lock Status Sensor option connects with your smart home to indicate when windows are closed and locked
