Hello Heather -

Would you please forward to the Chair and the HDC the attached photographs of Carriage Houses along Lower Monument Street, all new construction. The first photograph is a 3-car garage with office space and a cupola at 66 Monument Street; the second photograph is 63 Monument Street's oversized 2-car Carriage House with a 603 square foot office and a balcony built seven years ago. The third photograph is the Carriage House at 41 Monument Street with recreational space above. 131 Monument Street added a large red barn with living space above their garage, with a higher roofline than their home.

Each of these new structures looks beautiful and adds to the historic character of Monument Street.

Thank you,

Martha
