

**Climate Action Advisory Board
Director's Update
September 16, 2020**

UNH Summer Sustainability Fellow – Abigail Ahern completed her fellowship last month and was invited by the Select Board to present her final report on September 8th. [The final report](#) is available online and hosted on a [landing page on the Town Sustainability website](#).

Climate Preparedness Week – The schedule of virtual events for Climate Preparedness Week (September 23-30) is available on the [web](#).

Electric Vehicle Dealer Roundtable – Concord is hosting a virtual roundtable featuring local dealers of electric vehicles on October 10th. Attendees will receive a free copy of Electric Car Insider magazine. [Sign-up here](#).

Grants – The Town was notified that we were not awarded funding in this round of MVP Action Grants for the integrated water resource management plan.
