Year in Review

CCACE provided a comprehensive program of non-credit, fee-based learning opportunities for local residents. 178 community educators contributed to the program during Fiscal Year (FY) 2012, teaching one or more courses.

The Department completed its eighth consecutive year of self-funded activity in FY2012, recovering 100% of the costs for teachers, administrative and management salaries, non-salary expenses and capital investments. Department costs were \$623,069, and revenues \$644,124. The balance of \$21,055 restored the most of the operating deficit of the prior fiscal year. A grant from the Concord Carlisle Community Chest provided financial aid to more than 200 local families and individuals, and no one was turned away because of an inability to pay a course fee.

Children and adults of all ages participated in community education programs throughout the year. Most of the K-12 participants enrolled in before-school, after-school, weekend and summer classes. Adults were active in daytime and evening classes. Instrumental music lessons were held throughout the year, helping young students enrich their school-day music education. The CCHS driver education welcomed 145 new students for classroom learning, and provided on-road training for more than 350 days throughout the year. Over 10,000 individual lessons were held during the year. The Village University, a program for mature citizens who seek advanced studies similar to a graduate seminar, conducted its ninth successful year of classes with its volunteer faculty.

The CCACE Advisory Committee worked with the staff, faculty and was in communication with the administration and School Committee. It strives to represent the interests of both towns and advocate for community access to public schools after hours for

continuing education. Advisory Committee members are appointed by the Regional School Committee for three-year terms. They ensure that the Department is sensitive to community needs and manages its limited resources to best advantage. Citizens are urged to contact Committee members, share ideas and volunteer, so that the Adult & Community Education program may respond to community needs, further enrich the towns, and achieve our shared educational goals.

The Concord Carlisle Scholarship Fund (CCSF) was established in 1966 to provide need-based grants to deserving young men and women from Concord or Carlisle to obtain additional educational opportunities after secondary school. The Fund is a tax-exempt charitable trust. Recipients must either live in or have attended school in either town.

The Fund is administered by an 18-member volunteer Board of Trustees. Scholarships are financed through an annual appeal, a student-staffed phonathon, and by income generated from memorial gifts, bequests, and named funds. For more information about the CCSF, please see the website: www.ccscholarshipfund.org.

Since the Fund began, it has assisted more than 1,000 students. In 2012, the Trustees awarded almost \$155,000 to 89 high school and college students, while the Fund's affiliated organizations supplemented this amount with over \$52,000, bringing the combined total awarded to \$202,850 and the combined number of students awarded scholarship assistance to 108.

Traditionally, the Trustees host a brunch at the start of the new calendar year in appreciation of the Named Fund Scholarship benefactors. The annual CCSF phonathon takes place over two nights using space donated

by Fenn School; it is staffed by Concord-Carlisle High School (CCHS) students who are candidates for the National Honor Society. The Board also supports the annual Adrian A. Martinez Road Race which generates additional funds for the scholarship that memorializes Adrian, CCHS Class of 2002.

Six new named funds were created during 2012:

- The Mary F. McHugh Memorial Scholarship Fund
- The Maura Roberts Memorial Scholarship Fund
- The Eleanor Winstanley Childs Memorial Scholarship Fund
- The Sally Lanagan Memorial Scholarship Fund
- The Janet Babb Memorial Scholarship Fund
- The Guido S. D’Asti Memorial Scholarship Fund

These six scholarships will be awarded for the first time in 2013.

The David Prifti Memorial Scholarship Fund, created in 2011 in memory of the much beloved CCHS art teacher, was awarded for the first time to Robert Hitchner.

Scholarships on the following pages that are marked with an asterisk are managed by the CCSF. One scholar-

ship is managed by the Trustees of Town Donations of the Town of Concord. All other scholarships are managed by the named affiliate organization, listed below.
