To whom it may concern,

The Concord Police Dept. has reviewed the response to Concord Staff Comments by counsel to Quarry North Road LLC regarding proposed 48Y Fitchburg Tpke subdivision. We do not feel our concerns have been adequately addressed and remain the same. As with other remote locations located within the Town of Concord emergency response to Rookery Ln. will be longer than average. Also, the applicant has not addressed our concerns of jurisdictional issues that will create confusion for future residents of the proposed development when police services are required.
