*Ameristar Montage Majestic (from website)*

The BFRTAC has recommended adding standard two-rail and three-rail timber fencing in certain areas for people management and resource area protection.

*Examples from Milford Upper Charles Rail Trail*

The BFRTAC has received requests for the installation of fences for privacy concerns of certain trail abutters. The BFRTAC has recommended the installation of stockade fences in some situations. The maintenance of these fences is the responsibility of the private property owner
