

INCOMPLETE

Type	Building	Date	Cost	Total Cost
Single Weatherization	Emerson Umbrella	2008	\$9,400	\$9,400
Single HVAC	135 Keyes Road (CPW)	2009	\$24,605	
Single HVAC, Lighting Controls	Beede Center	2009	\$19,800	
Single Boiler, Weatherization	Friends of Performing Arts (FOPAC)	2009	\$45,000	
Single Weatherization, HVAC	Friends of Performing Arts (FOPAC)	2009	\$35,000	
Single Lighting Upgrade	Hunt Recreation Center	2009	\$7,500	
Single Pool Pumps	Hunt Recreation Center	2009	\$5,950	
Single HVAC, Lighting Upgrade, Weatherization	Sleepy Hollow Admin Bldg	2009	\$39,021	
Single Weatherization	Town House	2009	\$22,880	2009
Single HVAC	West Concord Fire Station	2009	\$35,440	\$235,196
Single HVAC	135 Keyes Road (CPW)	2010	\$2,500	
Comp Lighting Upgrade	CPW (133 & 135 Keyes Road)	2010	\$31,000	
Comp Weatherization Audits	CPW/DPLM (133, 135 & 141 Keyes Rd)	2010	\$9,985	
Single Lighting Upgrade	Emerson Umbrella	2010	\$14,000	
Single Lighting Upgrade	Hunt Recreation Center	2010	\$1,336	
Comp Lighting Upgrade	Public Safety Building	2010	\$11,845	
Single	Public Safety Building (Police/Fire HQ)	2010	\$106,040	
Single Boiler	Public Safety Building (Police/Fire HQ)	2010	\$113,825	
Single Water Heater, Lighting, Weatherization	Sleepy Hollow Administration Building	2010	\$12,901	
Single Weatherization	Town House	2010	\$9,786	
Comp Lighting Upgrade	Town House	2010	\$28,773	
Comp Weatherization Audits	Town House & W. Concord Fire Sta.	2010	\$9,920	
Comp Weatherization Audits	Town House & W. Concord Fire Sta.	2010	\$36,000	
Single HVAC, Water Heater	West Concord Fire Station	2010	\$11,000	
Comp Lighting Upgrade	West Concord Fire Station	2010	\$6,267	2010
Single Rooftop Solar	Willard School	2010	\$44,000	\$449,178
Single Solar Analysis	Beede Center	2011	\$3,500	
Comp Weatherization Audits	CPW/DPLM (133, 135 & 141 Keyes Rd)	2011	\$43,000	
Single Lighting, Weatherization	DPLM (141 Keyes Road)	2011	\$3,941	
Comp Lighting Upgrade	Harvey Wheeler	2011	\$3,000	
Single HVAC	Hunt Recreation Center	2011	\$27,000	
Single HVAC	Hunt Recreation Center	2011	\$357,000	
Comp Weatherization Audits	Hunt Recreation Center	2011	\$4,285	
Comp Weatherization Audits	Hunt Recreation Center	2011	\$4,000	
Single Lighting Upgrade	Public Safety Building (Police/Fire HQ)	2011	\$3,000	
Single Weatherization, Plumbing	Public Safety Building (Police/Fire HQ)	2011	\$16,040	2011
Single HVAC	Public Safety Building (Police/Fire HQ)	2011	\$1,500	\$466,266

Project

insulation & air sealing
replace the failing HVAC system
lighting controls, heating retrofit
Buderus boiler, insulation & air sealing and replacing/repairing windows
fiberglass insulation, air sealing, rehab 8 windows, install exhaust fans in fly tower
replace metal halide light fixtures with T8 high output fixtures in gymnasium
replace outdoor pool pumps
open cell insulation, hybrid HVAC system, Marvin windows, LED lighting
purchase and installation of new storm windows
hot water boilers & HVAC components
volume dampers and duct work related to the HVAC
upgrades to exterior lighting fixtures
Weatherization Design Study (infrared analysis & design specs)
energy efficient lighting upgrade
LED lighting in the exit signs
upgrades to interior lighting fixtures
energy efficient renovations
Buderus boiler
interior insulation, water heaters, fluorescent lighting & labor
insulated fiberglass door and insulated window
upgrades to interior lighting fixtures
Weatherization Design Study (infrared analysis & design specs)
Weatherization Construction of building envelope efficiency measures
hot water heaters, hot water baseboard, AC, glycol
upgrades to interior lighting fixtures
solar panels on the roof
structural analysis for rooftop solar
Weatherization Construction of building envelope efficiency measures
energy efficient door, LED light & insulation
outdoor LED lighting fixtures
design & commissioning of new HVAC system
new HVAC system
Weatherization Design Study (infrared analysis & design specs)
Weatherization Construction of building envelope efficiency measures
lighting for 1st floor offices & stairwell (Fire)
insulation & plumbing for downstairs offices (Fire)
design of AC for downstairs offices (Fire)

\$1,160,040
