

Hello Elizabeth,

Given the very close placement of the Cohane's house at 44 Central Street to my mine at 1289 Main, I think it's fair to say that no other property will be more directly affected by their proposed addition. Note especially the view from the bay window in my kitchen. I took time last week to review the documents available at the link noted on the postcard mailed to abutters on 3/31 and have no objection to the proposed addition. Please feel free to share this comment as appropriate during the hearing.

Thanks,

Carrie
(AKA Carolyn Flood)
