Town of Concord HDC
Reference Property:
170 Barretts Mill Road
Concord MA

July 14, 2023

Dear Concord HDC,

On behalf of Twin Peaks Construction I am presenting the following scope of work for the first floor windows at reference property address.

The homeowners have replace most of the windows in this house with Marvin Ultimate windows over the years and these 11 on first floor front, left side and right side are the last remaining windows that they would like replaced.

I have included pictures of the house from street: front of house and right side of house.

I have also included picture of window left side at driveway and windows right side behind porch.

DESCRIPTION OF PROPOSED WORK:

WINDOWS:

Remove existing white wood windows and storm windows.

Install Marvin Signature (Ultimate) series white clad exterior windows in same light patterns.

Existing sills and exterior trim will be left in place.

Respectfully Submitted,

John Marsoobian, Jr.
