

Street level view of existing Concord Center Crosswalk

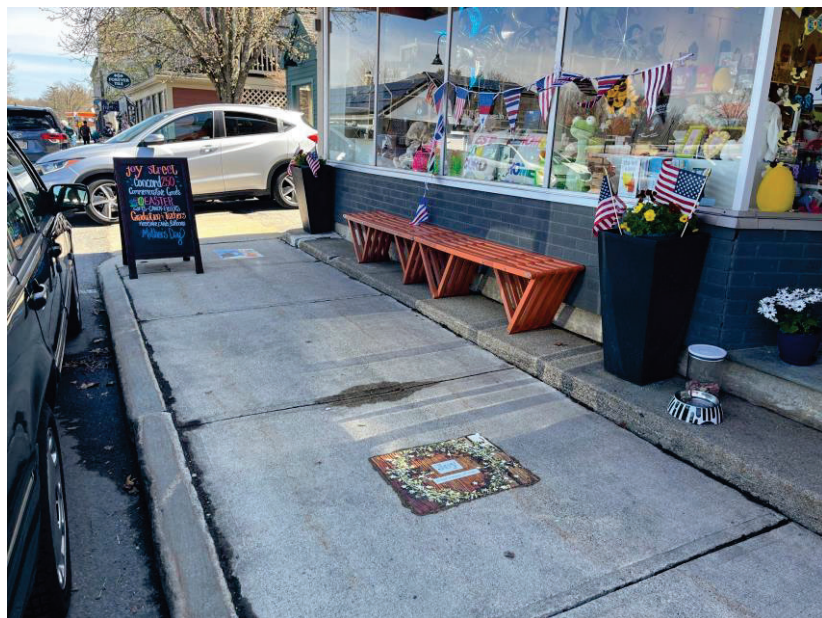

West Concord at 110 Commonwealth Ave

Concord Center at 28 Main Street

The [West Concord Art Loop](#) was a temporary art installation the summer and fall of 2025 of 130 weatherproof decals of works by local artists on the sidewalks of West Concord Village executed by the WC Cultural District.

Creative crosswalks have proven popular worldwide. The rainbow design of the Pride flag in particular has been embraced as a means for communities to increase LGBTQIA visibility.
